MOSAIC

TRAINING SERVICE & HEALING CENTRE
combating abuse and gender-based violence

OUR VISION

To end violence against women in all its forms in our society.

OUR MISSION

MOSAIC works to prevent and respond to domestic violence through holistic services that empower women to claim their rights.

OUR SERVICES

ACCESS TO JUSTICE

Survivors are empowered to access courts, justice and have evidence gathered at Thuthuzela Care Centres when violence occurs.

SUPPORT & HEALING

Survivors receive counselling support based on their needs.

Provision of shelter services for women and their children.

EMPOWER

Survivors receive personal development, education and skills training to ensure there are exit pathways to leave abusive relationships.

ENGAGING MEN & BOYS

Gender sensitisation workshops, training, support groups and counselling for men to ensure prevention of violence against women.

ADVOCACY & POLICY

Research and information from all our services inform the advancement of policy and laws that protect the rights of women to live lives free of violence and abuse.
