CALL FOR EXPRESSION OF INTEREST

The Department of Home Affairs has mandated the Government Printing Works ('GPW') to implement the project of replacing the current green bar-coded identity (ID) books with smartcard ID's ('Project'). As part of the Project implementation process, the GPW wishes to appoint, through an RFP process, a manufacturer and/or supplier who will supply it with blank cards, manufactured from pure polycarbonate substrate in ID-1 (ISO/IEC 7810) format, delivered ready for personalisation by laser engraving technology.

As such, the GPW hereby calls upon all suitably qualified parties who are interested in participating in the above-mentioned RFP process, to each address a letter on its letterhead delivered either by post or by hand and also send an e-mail to the GPW (details below) simply stating that it is '*interested in participating in the RFP process as it is able to supply the GPW with the required blank cards*'.

Suitably qualified parties who respond to this call for expression of interest must have the necessary knowledge, expertise and capacity, amongst other things, to manufacture and/or supply polycarbonate cards and must have a solid track record in this regard.

Only those parties who respond to this call for expression of interest, and in the manner set out herein, will be notified of, and allowed to participate in, the RFP process.
