

MYTH vs FACT

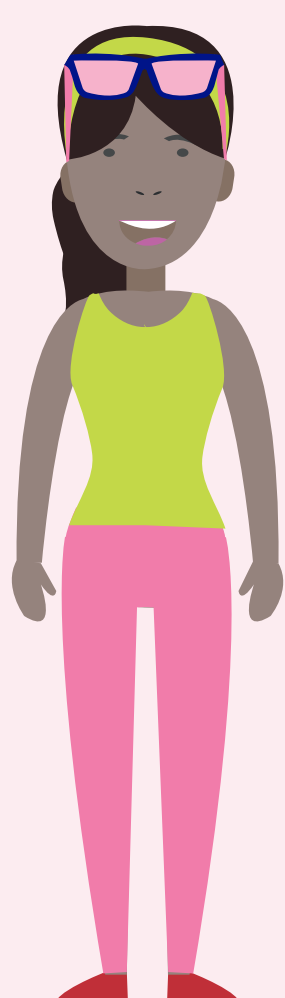

about breast cancer

MYTH

FACT

I am **too young** to get **breast cancer**

Many **women** who are **under 40** are diagnosed with **breast cancer**

Men can't get **breast cancer**

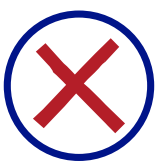

1 in 943 men have a **lifetime risk** of **breast cancer**

Alcohol is not **linked** to breast cancer

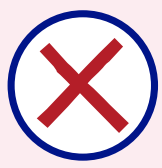

Alcohol use **increases the** risk of **breast cancer**

Only **women** with a **family history** of breast cancer **are** **at risk**

All women are **at risk**, but family history **increases the** **risk**

I have **never had children**, so I can't get **breast cancer**

Women who have **never had children**, or only had them **after 30**, have **increased** risk of **breast cancer**
