

**ADOPTED DECISIONS AND RESOLUTIONS OF A MEETING
OF HERITAGE WESTERN CAPE (HWC)
INVENTORIES, GRADING AND INTERPRETATION COMMITTEE (IGIC) HELD ON 23RD
OF JUNE 2023, AT 09H00 VIA MICROSOFT TEAMS**

1. METTER DISCUSSED

17. Proposed Exemptions

17.1 Exemption Report for Airport Industrial DFA (NM)

RECOMMENDATION

The committee recommends that a social history expert be appointed to the panel of the consultants, to assess social significance of sites currently mentioned in the exemption reports, and to make note of any other sites within the proposed exemption areas. The social historian should note the socio-political context which includes significant past and continuous forced removals and dislocation of the communities, and that current communities must be viewed at a larger scale than the boundaries of the DFAs.

17.2 Exemption report for Atlantis DFA (NM)

JW

RECOMMENDATION

The committee recommends that a social history expert be appointed to the panel of the consultants, to assess social significance of sites currently mentioned in the exemption reports, and to make note of any other sites within the proposed exemption areas. The social historian should note the socio-political context which includes significant past and continuous forced removals and dislocation of the communities, and that current communities must be viewed at a larger scale than the boundaries of the DFAs.

17.3 Exemption Report for Flamingo DFA(NM)

JW

RECOMMENDATION

The committee recommends that a social history expert be appointed to the panel of the consultants, to assess social significance of sites currently mentioned in the exemption reports, and to make note of any other sites within the proposed exemption areas. The social historian should note the socio-political context which includes significant past and continuous forced removals and dislocation of the communities, and that current communities must be viewed at a larger scale than the boundaries of the DFAs.

JW

17.4 Exemption Report for Kuils River DFA (NM)

RECOMMENDATION

The committee recommends that a social history expert be appointed to the panel of the consultants, to assess social significance of sites currently mentioned in the exemption reports, and to make note of any other sites within the proposed exemption areas. The social historian should note the socio-political context which includes significant past and continuous forced removals and dislocation of the communities, and that current communities must be viewed at a larger scale than the boundaries of the DFAs.

JW

17.5 Exemption Report for Mitchells Plain DFA (NM)

RECOMMENDATION

The committee recommends that a social history expert be appointed to the panel of the consultants, to assess social significance of sites currently mentioned in the exemption reports, and to make note of any other sites within the proposed exemption areas. The social historian should note the socio-political context which includes significant past and continuous forced removals and dislocation of the communities, and that current communities must be viewed at a larger scale than the boundaries of the DFAs.

JW

17.6 Exemption Report for Ottery DFA (NM)

RECOMMENDATION

The committee recommends:

It is the recommendation of the committee that a social history expert be appointed to the panel of consultants to assess social significance of the PHA cultural landscape as a remnant of a larger cultural landscape which was typified by an agricultural land use with attributes relating to sense of place.

2. The IGIC requires a proposed grading for the Philippi Horticultural Area before considering the proposed exemption Area.

JW

18. Surveys/Inventories

18.1 None

19. Other Matters

19.1 None

20. Adoption of Resolutions and Decisions

The Committee unanimously adopted the decisions and resolutions, with GA proposing and LM seconding the proposal.

21. Date of next meeting: 4th of August 2023
