Dear Dr Mukosi

CONGRATULATIONS MOTION OF THE NATIONAL ASSEMBLY

On 5 March 2019, the National Assembly agreed to a motion noting that the Red Cross Children's Hospital, together with the Groote Schuur Hospital, had once again performed ground-breaking surgery.

The Assembly noted that the team of twenty-five doctors and nurses showed tremendous skill and care when saving the life of an unborn infant.

The Assembly understood that a scan showed that baby Kiiara Louw was suffering from Congenital High Airway Obstruction Syndrome, which had blocked the foetal airways.

The Assembly congratulates the teams involved in this life saving surgery who worked on the preparation and simulation of the surgery prior to the successful procedure.

A copy of the Minutes of Proceedings of the National Assembly dated 5 March 2019, containing the full text of the motion, is attached.

Yours sincerely
