Safety notice for all road users

Please obey all road signs – they are there for very good reasons. If you are driving and come across flooded roads, please take great care. If the water is too deep for you to see the roadway, turn around and take another route. Where roads are underwater, the roadway may have been damaged or washed away. There may be obstacles under the water you cannot see. Water flow may be strong enough to wash your vehicle away. Keep yourself and your loved ones safe on the road.

Roads (**Red**: Closed, **Orange**: One lane/Partially open, **Blue**: Local Access, **Green**: status changed to Open)

*All teams on standby and ready if there are incidents reported*
