NOTICE OF INTENTION TO COMPILE THE MUNICIPAL SPATIAL DEVELOPMENT FRAMEWORK (MSDF) 2022

Notice is hereby given in terms of section 28(3) and 29 of the Municipal Systems Act, 2000 (Act 32 of 2000), section 20 of the Spatial Planning and Land Use Management Act, 2013 (Act 16 of 2013), section 11 of the Western Cape Land Use Planning Act, 2014 (Act 13 of 2014) and section 3(2)(a) of the Mossel Bay By-Law on Municipal Land Use Planning, 2015, that Mossel Bay Municipality intends to compile its Municipal Spatial Development Framework (MSDF).

A MSDF is a long-term forward planning document which spatially indicates the long-term growth and development path of a municipality. It co-ordinates the spatial implications of all strategic sector plans (engineering, transport, economic, housing, community services etc.) of a municipality. A MSDF is also one of the core components of a municipal IDP and gives physical effect to the vision, goals and objectives of the municipal IDP. Once completed, the MSDF will serve as a guide for decision making in development and land use planning.

The MSDF will be developed in terms of section 13 of the Land Use Planning Act, 2014 (Act 13 of 2014) and section 7 of the Mossel Bay By-Law on Municipal Land Use Planning, 2015 without an Intergovernmental Steering Committee. A Project Committee has been established as prescribed in terms of section 4 of the Mossel Bay By-Law on Municipal Land Use Planning, 2015. The Project Committee will develop a Status Quo report. The Municipal Council will approve the Status Quo document as a base document for the development of the MSDF. The Project Committee will develop a draft MSDF which will be presented to the Municipal Council for approval for the public participation process. The draft MSDF will subsequently be advertised for public input during a public participation process and sent to the Provincial Minister for comments. The Project Committee will consider all comments and representations during the mentioned process and submit a final draft MSDF to the Municipal Council for adoption. Should the final draft MSDF be materially different from the draft MSDF that was public participated, a second public participation process will be followed. The final MSDF will be presented to Council for adoption, a notice will be published in the Provincial Gazette and media to inform the public of the adopted MSDF.

Should you have any additional questions regarding the process or want to register as a relevant stakeholder/interested party on the Mossel Bay MSDF, please do not hesitate to contact Mr Jaco Roux at Mossel Bay Municipality jroux@mosselbay.gov.za or (044) 606 5071 within 30 days of the publication of this notice.
