FINAL (UPDATED) INFRASTRUCTURE CALENDAR: 2017/18

PURPOSE

1. The purpose of the **final (updated)** Infrastructure Calendar 2017/18 is to inform all Accounting Officers, Chief Executive Officers and Infrastructure Managers of the infrastructure related deliverables and associated activities as required by, amongst other, the Division of Revenue Act, 2017 (DoRA 2017); the Government Immovable Asset Management Act (GIAMA) Act 19 of 2007, the Western Cape Infrastructure Delivery Management System (WCIDMS) and the Standard for Infrastructure Procurement and Delivery Management System (SIPDM).

BACKGROUND/DISCUSSION

2. A proven foundation for good governance is to conform and to comply with all applicable laws and regulations.
3. One of the challenges facing infrastructure officials is to keep abreast of all the infrastructure deliverables throughout the year. Every deliverable has its own timeline for when documentation is required to be submitted.
4. The 2017/18 Infrastructure Calendar are based on the DoRA and Performance-Based Incentive requirements (Annexure A) and builds on PGWC efforts to support improving compliance to relevant pieces of legislation, as well as the institutionalisation of the SIPDM and WCIDMS.

ACTIONS REQUIRED

5. It would be appreciated if these requirements are brought to the attention of all staff involved in the planning and delivery of public infrastructure as well as the formulation of departmental and entity plans and budgets for the 2017 MTEF.
