South African Tourism (SAT) is a statutory body whose main object is to promote tourism to and within South Africa, by marketing the country as a tourism destination both internationally and domestically. To enhance compliance monitoring and improving transparency and accountability in supply chain management practices of government institutions, National Treasury Regulation 16A.6.3 (d) prescribes that the award of bids (tenders) must be published in the Government Tender Bulletin and other media by means of which the bids were advertised. The information should also be made available on the institutions website. To comply with this prescript, this advertisement serves as a formal notification of bids (tenders) that SAT awarded during its 2013/14 financial year which ends on 31 March 2014, the information will accordingly also be electronically available on <http://www.southafrica.net/sat/content/en/za/tender-information>:
