SOUTH AFRICAN TOURISM BOARD

JOIN OUR DYNAMIC TEAM AS A SERVICE PROVIDER!

The Organisation and the Opportunity

South African Tourism Board was established by section 2 of the Tourism Act, No. 72 of 1993, and continues to exist in terms of section 9 of the new Tourism Act, No. 3 of 2014. South African Tourism is a schedule 3A Public Entity in terms of schedule 3 of the Public Finance Management Act, 1 of 1999.

The mandate of the South African Board in terms of the Tourism Act is to provide for the development and promotion of sustainable tourism for the benefit of the Republic, its residents and its visitors. It is common cause that tourism is a key strategic industry in terms of National Tourism Sector Strategy documents as it supports government objectives of alleviating the triple challenges of unemployment, poverty and inequality.

The scope of SAT's business includes three distinct areas of business focus and delivery, with different target markets and segments:

1. International Leisure tourism (travel trade and consumer); and Domestic Leisure tourism (travel trade and consumer).
2. Business events through the delivery unit the South African National Convention Bureau (Meetings, Incentives, Conferences, Exhibitions);
3. Quality assurance of tourism establishments through the delivery unit the Tourism Grading Council of South Africa.

Key successes in our marketing efforts have been greatly complimented by forming partnerships with leading marketing agencies across the various marketing platforms and initiatives SAT engages in to successfully execute our marketing strategies on a global basis.

Section 217 (1) of The Constitution of the Republic of South Africa, 1996, provides the basis for procurement and determines that "When an organ of state in the national, provincial or local sphere of Government, or any other institution identified in national legislation contracts for goods or services it must do so in accordance with a system that is fair, equitable, transparent, competitive and cost-effective".

South African Tourism (SAT) is accordingly, through this tender, inviting reputable marketing agencies with a proven track record to submit proposals in a bid to be appointed as SAT's preferred marketing agency to:

- (i) Develop an integrated brand communications strategy (for all 3 focus areas of the business, including Domestic Tourism) at a global level and for the markets/countries in its portfolio;
- (ii) Develop all the content and creative that support the integrated brand communications strategy; in order to
- (iii) Implement the strategy through the entire marketing mix.

Through this potential partnership, SAT is anticipating the establishment of a viable relationship with innovative agencies/service providers who will support SAT in making a quantum leap forward with the development and execution of a fully integrated marketing effort over the next 5 years. SAT is a high-performance marketing environment, and focuses its marketing on high return-on-investment activities in order to maximize budget effectiveness.

The detailed scope of services and tender requirements will be available in a comprehensive bid document (RFP - SAT 91/14) which will be available from 09h00 on Friday, 14 November 2014 on:

<http://www.southafrica.net/trade/en/tenders#current>

Completed documents together with 1 original proposal and 7 hard copies + 8 electronic copies (in PDF format), must be dropped inside the tender box situated in the reception area of South African Tourism, 90 Protea Road, Chislehurst, Sandton, by no later than 12h00 on Friday, 12 December 2014.

The shortlisted agencies will be invited to attend a formal briefing session on 6 February 2015 from 09h00–13h00 (venue in Gauteng to be confirmed at a later stage), where the actual scope of services required will be presented in line with the business strategies and budgets of the organization.
