RE: NEW TRANSVERSAL CONTRACT FOR THE RENDERING OF ADVERTISING SERVICES

1. PURPOSE

To inform the Provincial Government Departments that the new transversal contract for rendering adverting services has not yet been concluded. The Provincial Government Departments are requested to procure their advertising services as and when required, based on the requirements of the SCM Framework and their Accounting Officer's System until a new contract is in place.

## STATUS OF THE CURRENT TRANSVERSAL CONTRACT

- 2.1 The current transversal contract expires on 31 July 2009. The process of concluding a new contract has not yet been finalised. However, the current contract will not be extended due to the decision taken by the Provincial Bid Adjudication Committee in that no further extensions of the current contract would be allowed.
- 2.2 The bid for the envisaged new contract was advertised on 9 May 2009 and closed on 28 May 2009. The evaluation process commenced on 3 July 2009 and was concluded on 13 July 2009.
- 2.3 Due to the tight schedule of both the Provincial Bid Evaluation and the Adjudication Committee, the bid process could not be completed on time; hence the bid has not been awarded at this stage.
- 2.4 The Provincial Bid Adjudication Committee is scheduled to take place on 11 August 2009.
- 2.5 It is envisaged that the adjudication process would be completed by the end of August 2009. A service provider should be appointed on 1 September 2009.

### 3. REQUEST

In view of the fact that it would not be feasible to finalise the new bid process before the 31 of July 2009, the Provincial Government Departments are requested to procure their advertising services, as required, with effect from **1 August 2009**, in terms of the requirements of the Supply Chain Management (SCM) Framework and their Accounting Officer's System until a new contract is in place.
