Dear Sir / madam

## **NASHUA COMMUNICATIONS BREWELSKLOOF HOSPITAL HEALTH FACILITY BOARD**

### **GOLF DAY :**

#### **11 June 2011 - to be held at Worcester Golf Club**

Brewelskloof Health Facility Board is planning a Golf day on Saturday 11 June 2011 to raise funds for the Hospital. Funds that are generated at this event will be used to ensure that the hospital stay of patients at Brewelskloof will be made as comfortable and enjoyable as possible. The Board decided that an annual fund raiser is needed for projects not funded by the hospital's budget. Therefore, a Golf day will be held again to generate funds to help address the psycho-social aspects of the patients.

The Golf day of 2010 raised R26 000 for our Health Facility Board, and we were able to construct a wonderful games area for adult patients at the hospital.

Adult TB patients' average length of stay in hospital ranges from between 2 to 6 months and children can be hospitalised for up to 18 months. Relaxation and recreational activities will play a major role in quality patient care at Brewelskloof Hospital. Brewelskloof Hospital is striving to ensure that all patients, despite their difficult social circumstances, enjoy as comfortable stay as possible.

If your company is interested in taking part in this exciting event (either as player/s or as sponsor) it will go a long way in ensuring that the day is a great success. We really need the help of our communities.
