Western Cape Broadband Strategy and Plan

Description and Objective

The Western Cape Broadband Strategy and Implementation Plan aims at co-ordinating and integrating government action to radically improve the provision of telecommunication infrastructure, skills and usage within the Province.

WC Broadband Strategic Framework

The vision is that of a Western Cape where **every citizen** in **every town and village** has **access** to affordable high speed broadband infrastructure and services, has the necessary **skills** to be able to effectively utilise this infrastructure and is **actively utilising** this in their day to day lives.
