## **WILDFIRE READY: BURN PERMITS**

Know the How, What and When of preventing wildfire spread when undertaking burning operations.

Observe the conditions of the Veld and Forest Fire Act with particular reference to the FDI and weather conditions (wind, temperature and humidity) so that burning operations can be conducted safely.

Burning is only allowed during certain periods and you must be in possession of a current burn permit. On the day of the burn you must inform the FPA and Fire Department before and after you have finished burning.

Always Comply to the Conditions in the Burn Permit.
