

INVITATION - CIRCULAR ECONOMY TRAINING

SAVE THE DATE – SAVE THE DATE – SAVE THE DATE – SAVE THE DATE

The Department of Forestry, Fisheries and the Environment in partnership with the global, BMU-funded GIZ project, Green Economy Transformation (GET) will be hosting a second online Circular Economy training course – aligned to the *Circular Economy Guideline for the Waste Sector*.

When: The training will be hosted from 30 November - 02 December 2021, from 09h00 – 13h00, for the duration of the training days.

Where: All training sessions will be conducted through an online platform (MS Teams). Link to be shared in due course.

Who should attend? All public officials, private sector and civil society groups who wish to gain knowledge on Circular Economy - as a means for a green and inclusive economy, its practical implementation and how Circular Economy can be a key driver in advancing South Africa's drive towards a low carbon economy through innovation, skilling, reskilling & behavioural change of decision-makers, business, finance and the consumer.

Kindly confirm your participation to **Ms Anam Ngoma, E-mail: angoma@dffe.gov.za** on/prior to **22 November 2021**

The draft programme will be issued by 25 November 2021
