

# Calling for Nominations for the 2017 Leadership Excellence Award in After School Programming

The Western Cape Education Department (WCED) calls on school communities to nominate Principals for the After School Leadership Excellence Award.

Excellence in After School Programming relies on strong leadership and school buy-in. Principals who demonstrate passion and innovation in motivating their school team to provide creative, dynamic and interesting After School Programming to their learners may be nominated for this prestigious award.

A successful After School Programming timetable spans a number of possible activities ranging from Sport and Recreation, Arts and Culture, Academic Support and Life Skills.

While nominated schools may provide their own activities, a principal may have also shown leadership in crowding in support from other government departments, NGOs and/or religious organisations which contribute to their school offering. We are excited to learn more about what principals are doing in their schools to create an enabling environment for safe and engaging After School Programming.

**Nominees are requested to complete the Nomination Form.**

# Oproep om Benoemings vir die 2017 Toekenning vir Uitnemende Leierskap in Naskoolse Programbeplanning

Die Wes-Kaapse Onderwys Departement (WKOD) doen 'n beroep op skoolgemeenskappe om hul Skoolhoofde vir die Toekenning vir Naskoolse Uitnemende Leierskap te benoem.

Uitnemendheid in Naskoolse Programbeplanning kan slegs vermag word indien daar sterk leierskap is en die skool die program ondersteun en bevorder. U mag skoolhoofde wat met passie en innoverende denke hul skoolspan motiveer om kreatiewe, dinamiese en interessante Naskoolse Programme aan hul leerders te bied vir hierdie gesogte toekenning benoem.

'n Suksesvolle Naskoolse Program-rooster bevat 'n aantal maandelike aktiwiteite wat onder meer Sport en Ontspanning, Kuns en Kultuur, Akademiese Ondersteuning en Lewensvaardighede insluit. Benoemde skole mag wel hul eie aktiwiteite verskaf, maar dit staan 'n skoolhoof vry om leierskap te toon en steun te werf van ander regeringsdepartemente, NRO's en/of godsdienstige organisasies wat 'n bydrae lewer tot die uitbreiding van die pakket wat die skool bied. Ons is opgewonde om meer uit te vind oor wat skoolhoofde in hul skole doen om 'n bemagtigende omgewing vir 'n veilige en stimulerende Naskoolse Program te skep.

**Benoemdes moet asseblief die Benoemingsvorm voltooi.**

**Vir nadere besonderhede kontak asseblief vir Bridget Hannah by tel. 021 483 9953 of e-pos: [Afterschool@westerncape.gov.za](mailto:Afterschool@westerncape.gov.za)**

**Sluitingsdatum  
vir  
benoemings:  
15 September  
2017**

Ons erken die pogings van ons personeel wat 'n bydrae lewer tot die naskoolse ruimte. Ons moedig u aan om iemand te benoem wat 'n verskil in hierdie program gemaak het. Kom ons gaan voort om veilige naskoolse aktiwiteite vir ons leerders te bied. **BETER TESAME.**
