16 DAYS OF ACTIVISM

AGAINST WOMAN AND CHILD ABUSE

Minister Dan Plato encourages you to join him at the 16 Days of Activism events

- **Speaking** out against woman and child abuse. Motivating silent female victims to challenge abuse and ensure they access assistance.
- **Communities** are urged to report child abuse to the Police.
- **Encouraging** children to report bullying behaviour to School authorities.
- **Men** will be targeted as they are critical partners in the fight against the abuse of women and children.
- **Families** are motivated to collectively create a safe environment for women and children.
- **Parents and adults** are urged to ensure that children are not exposed to inappropriate sexual and violent material.
- **Volunteers** will donate some of their time and energy in support of a Non-Governmental Organisation or community group working in their area to assist abused women and children.
- **Community members** will also be persuaded to use their life skills and knowledge to help support victims of abuse.

BETTER TOGETHER.

25 November - 10 December
