Sport Awards 2018

Foreword

The annual Sports Awards is a highlight of the Western Cape Government's calendar. The Awards recognise and officially acknowledge the esteemed excellence of sportspeople hailing from the Western Cape.

Today, we pay tribute to the exemplary role these individuals have played in the development of sport and motivating others to achieve more. I wholeheartedly thank each sportsperson awarded their prestigious acknowledgement for serving as a beacon of hope to all in the Western Cape. Their perseverance, focus and positive choices have groomed them into significant role-models to whom youth can aspire.

Excellence in their respective sporting codes requires dedication, motivation and many hours of practice, but also most importantly support and encouragement from significant others: family, friends, coaches, managers and others. Heartfelt gratitude is expressed to them for their continuous support and encouragement toward our sporting success.

History has shown time and again that sport has the ability to bring diverse groups of people together and I firmly believe our honoured sport stars personify this notion. They also promote a healthy lifestyle in which they contribute to increasing wellness and safety in the Western Cape and for that I thank you profusely.

By celebrating our victories and achievements we create a spirit of goodwill and social inclusivity that ultimately binds us all better together.

In closing, a special word of thanks to all the DCAS team players for your hard work, dedication and professionalism in making the Sports Awards a proud occasion.

Anroux Marais
Minister of Cultural Affairs and Sport
Western Cape Government
