

## 2018/19 UNDERGRADUATE INTERNSHIP PROGRAMME IN HEALTH TECHNOLOGY – CLINICAL ENGINEERING

The Western Cape Government: Health is commencing with an internship programme in clinical engineering for engineering undergraduates meeting the below-mentioned criteria, residing in the Western Cape and holding South African citizenship.

Applicants need to have completed and passed all S4 subjects required for the National Diploma in one of the following fields:

- **Electrical Engineering - Light Current**
- **Mechatronics**
- **Mechanical Engineering**
- **Clinical Engineering**

**The WCG: Health Clinical Engineering Internship Programme** is a youth programme (ages 20 to 35) providing a unique opportunity to gain practical work experience in medical equipment maintenance for a maximum period of twelve (12) months at various clinical engineering facilities within the Cape Town metropole, while receiving a monthly stipend of R4458. Transport will not be provided and will be for the account of the successful candidate.

**Women and people with disabilities are welcome to apply.**

Candidates must submit a completed Application Form (Z83 Form) obtainable from any government department, together with a CV and a certified copy of either their green South African bar-coded ID or their new South African ID card. Academic records must be certified by the relevant institution.

**Clearly state the advert details on the application form and send for the attention of Ms NT Albertus, Directorate: People Development, Western Cape Government: Health, No 4 Dorp Street, Cape Town 8001.**

Please note: Copies of certified copies and faxes will not be accepted. The WCG: Health will not be held responsible for any costs relating to relocation, subsistence and travelling. Correspondence will be limited to shortlisted candidates only, who will be informed within three months after the closing date.

**Enquiries:** Mr Karel van Der Merwe: 021 815 8639

**Closing date for applications:** 15 December 2017

**The Department of Health is guided by the principles of Employment Equity. Candidates with disabilities are encouraged to apply and an indication in this regard will be appreciated.**
