DISCIPLINARY ACTION DURING LOCKDOWN PERIOD

We have received various enquiries from organized labour and managers about the continuation of disciplinary action during this lockdown period.

After extensive consultation, we came to the conclusion that given the current climate it will be prudent to postpone all disciplinary hearings (formal and informal) during this lockdown period.

We appeal to all employees to refrain from acts of misconduct and to focus your attention on the common challenge on combating Covid-19.

Your cooperation is appreciated.

Kind regards

Dr. K Cloete
