DELIVERING OF SOCIAL DEVELOPMENT SERVICES:

DEPARTMENT OF SOCIAL DEVELOPMENT AND KANNALAND MUNICIPALITY

INTRODUCTION

1. SOCIAL DEVELOPMENT - WC.

The, DSD is the lead department in the delivering of Social Development Services arising out of its national legislative and policy mandates. It is however not the only provider of Social Development Services.

Social Development Services in a South African context has three functional areas as per the White Paper on Developmental Social Welfare Services 1997, these areas are

- Social Welfare Services
- Community Development
- Social Security Services

Social Security Services are provided through an agency namely SASSA (South Africa Social Security Agency), whereas the DSD is responsible for the other two areas of service delivery, Social Welfare and Community Development in partnership with a range of stakeholders and partners

2. KANNALAND MUNICIPALITY

Section 152 of the Constitution of the Republic of South Africa states that the objectives of local government are inter alia:

- “(a) To promote social and economic development,
- (b) To promote a safe and healthy environment, and
- (c) To provide the social infrastructure for the implementation of the social development projects in line with the MOU.
- (d) To encourage the involvement of communities and community organizations in the matters of local government”,

Schedule 4 Part B of the Constitution does not provide a comprehensive list of functions which deemed to be in support of promoting social development except for listing child care facilities as a function of the local sphere of government; however

"Effective intergovernmental relations are the very foundation that the hopes of the communities' rest on. The needs of the communities are not confined to the functions of local government hence the need for effective and efficient cooperation between all three spheres of government". Therefore, in an effort to contribute towards achieving this goal and addressing the needs of communities in the Kannaland Municipal Area, the Social Development component provides a range of services which has resource implications in the following programmatic areas namely:

- Youth Development
- Family Services
- Early Childhood Development
- Substance Abuse (Local Drug Action Committee)
- Older Persons
- Victim Empowerment
- Services to Children
- Youth in conflict with the Law
- Sustainable Livelihoods
- Thusong Outreach (Municipality)
- Social Relief of Distress
