

NOTICE OF ROAD CLOSURES DUE TO ROAD MAINTENANCE

Route No. 46 Section 01 will be partially closed between Gouda intersection (Km 0.0) and Tulbagh (km 5.0) for half-width construction between 3 September 2018 and 15 December 2018.

Half-width construction means one side of the road will be closed while work proceeds on the other side.

Stop/ go controls will be used to manage traffic flow along this route, with an expected waiting time of approximately 10 minutes.

The Department maintains and upgrades Provincial roads. Please exercise caution during the construction period. Working towards a safer travelling experience, **BETTER TOGETHER**

Western Cape
Government

Transport and Public Works

BETTER TOGETHER.

This section of road has been identified for periodic maintenance which entails the resurfacing of the road using a rubber-modified binder asphalt. Various other improvements to the road and surrounds will also be implemented during the resurfacing works.

The contract was awarded to Actophambili Roads in August 2018. The contract period is approximately 6 months, excluding public holidays and the year-end breaks. The expected completion date is January 2019.

Half-width traffic flow will be managed by stop/ go controls with an expected wait of approximately 10 minutes. It is a provision of the contract that traffic must be accommodated with the least delay and discomfort to the public. No full road closures will be allowed.

The safety and convenience of the travelling public are of utmost importance and every effort will be made to ensure that all temporary road signs, cones, flag operators and speed controls are maintained and are effective, and that courtesy is extended to the public at all times. The contractor is required to make use of approved methods to control the movement of equipment and vehicles so as not to constitute a hazard on public roads. The public is requested to be patient and exercise caution when using the road.
