

PROVINCIAL TREASURY

SERVICES ACCESS:

DESK REFERENCE BOOKLET

Directorate Strategic and Operational
Management Support

This booklet is a desk reference for managers to easily identify the service areas of Provincial Treasury and the method on how to access required services.

The booklet is a simple guide depicting the name, contact details and location of main service areas, whilst giving details relating to the mechanisms for accessing the main services of the Department.

The booklet is a living document, meaning that the information containing will regularly be amended and updated as the circumstances dictates. For this reason, main service managers will be responsible to make changes to their specific service area details, as obtained.

This document will be made available on the WCG website, from where the latest version of the booklet can be printed.
