CHOICES

We're all eager to get back to our pre-Covid-19 lives.
Managing the risks can help us get there faster.

Think about the size of a venue. If you cannot maintain a safe, **1.5m distance** then consider going somewhere else.

Think about the next person.
If you are sick, **STAY** at home.
It is not worth the risk of
infecting your friends and
other people around you.
