Iqumrhu le Child Government Monitors yenye yeendlela ezine zokuthatha inxaxheba kwabantwana kwi-ofisi yoMkomishinala waBantwana eNtshona Koloni.

Eli qumrhu lasekwa ngonyaka ka2020 ukuqinisekisa ukuba abantwana bayabandakanyeka kumsebenzi weWCCC, kwaye linika abantwana amathuba okuba nefuthe kwimithetho, imigaqo-nkqubo kunye nezenzo ebantwaneni.

Ujoyine nini iWCCC kwaye yintoni eyakukhuthaza ukuba ujoyine iqumrhu le-CGM?
Ndajoyina iWCCC ngenyanga yeSilimela ka-2021 ndineminyaka elishumi elisibini emva kokuba uMkomishinala weza esikolweni sam kwiveki yokukhusela abantwana. Ekuqaleni ndandingazi ukuba ndenza ntoni xa ndibhala iinkcukacha zoqhagamshelwano zabazali bam ukuba ndijoyine iqela le-CGM, kodwa emveni kokuba ndijoyine iiseshoni kwi-WhatsApp kwaye ndabona nendlela abantu athetha ngayo ngobomi babo bemihla ngemihla kunye namalungelo omntwana, ndaziva ndenze isigqibo esisiso.

Yintoni eyona nto uyonwabelayo ngokuba yiCGM/Mentor/Advisor?
Ngaphandle kokuya ezinkampini, ezifundisayo nezonwabisayo, ndiyakonwabela ukunxibelelana nomntu wonke kumaqela, ndithanda nendlela athi wonke umntu anxibelelana ngayo, ngokungathi kudala sisazana.

Ungathi yintoni ayekha yokuchulumancisa njenge-CGM?
Xa ndandisiya eRhawutini nenye iCGM kwi-GBV Summit eyayiyeyokuqala ukuba abantwana babe yinxalenye yayo. Ndavuya kakhulu ukuba ndibe yinxalenye yaloo nto. Kwakhona esinye isizathu esibangele ukuba ibengumzuzu okhethekileyo kukuba yayilixesha lam lokuqala kwinqwelomoya kwaye ndandiqala ukuya kwelinye iphondo ngaphandle kweMpuma Koloni. Omnye umzuzu wam obalulekileyo njenge-CGM kuxa ndaya eBotswana kwiNkomfa yamaLungelo oMntwana yeNgingqi ka-2023 yeCRNSA (Unxibelelwano lwamaLungelo oMntwana kuMazantsi e-Afrika). Yayisisihlandlo sokuqala sam ukubhabha ngaphandle kwelizwe.

Ucinga ukuba yeyiphi imingeni ejongene nabantwana/ulutsha kweli phondo?

Impilo yengqondo yenye yeengxaki ezininzi esijongene nazo thina bantu baselula okanye abantwana. Oku kwenzeka kwihlabathi liphela kodwa ngokwam ndincinga ukuba le nto ibangelwa luxinzelelo lwabafundisi-ntsapho esikolweni. Indlela abafundisi-ntsapho abasicinezela ngayo esikolweni ngokuphathelele iimviwo yaye isenza sizive sisindwa. Basoloko besikhumbuza ukuba banokuba naphi na ehlabathini befuna kodwa bakhetha ukuhlala baze basifundise. Ucalucalulo nokuxhatshazwa ezikolweni zezinye zeengxaki esijongene nazo.

Ukuba ubunako, ubuya kuliguqula njani ihlabathi libe yindawo engcono ebantwaneni?
Ndingenza indawo ekhuselekileyo yokuba abantwana bakwazi ukudlala ngokukhululekileyo ezipakini, ezindleleni nasesikolweni ngaphandle kokoyika ukuxhwilwa, ukungcungcuthekiswa okanye ukwenzakaliswa. Ukuba bendinokuguqula ihlabathi ndingavuyisa wonke umntwana.

Yeyiphi eyona nto imangalisayo eyakha yakwehlela?
Ukujoyina iqumrhu le CGMs.Ndifunda ngakumbi malunga ngam mihla le kwaye ndiye ndaphucula nendlela yokuthetha nabantu.

Uyasithanda isiNgesi kuba simenza akwazi ukuqonda abantu aze abhale amabali akhe ngendlela alibona ngayo ihlabathi. ULwazi ngoBomi lumnika isiseko solwazi avakalelwa kukuba wonke umntu kufuneka abe nalo.

Ujoyine nini iWCCC kwaye yintoni eyakukhuthaza ukuba ujoyine iqumrhu le-CGM?
Ndijoyine iWCCC ngenyanga yeKhala ka-2020 kwaye into eyanditsalayo ekujoyineni kukuba bendiziva ngathi umyalezo kunye nenjongo yeofisi yinto ekufanele ukulwela. Ndiqondile ke ukuba andinakuphoswa kukwenza inguqu kwisizukulwana sam kunye nezizukulwana eziza emva kwethu.

Ungathi yintoni ayekha yakuchulumancisa njenge-CGM?
Kukuqhagamshelana namalungu ePalamente asuka kwilizwe lethu kunye nooMkomishinala baBantwana abasuka kwamanye amazwe kuba bayawuthanda umsebenzi ebesiwenza.

Ucinga ukuba yeyiphi imingeni ejongene nabantwana/ulutsha kweli phondo?
Owona mngeni mkhulu endicinga ukuba ulutsha lwaseNtshona Koloni lujongene nawo ngoku kukungazi ngamalungelo athile kwaye oku abantu abadala bawasebenzisela inzuzo yabo. Oku kubandakanya ezikolweni, emakhaya, njalo njalo.

Ukuba ubunako, ubuya kuliguqula njani ihlabathi libe yindawo engcono ebantwaneni?
Ukuba bendinokwenza into yokuguqula ihlabathi ndingathanda ngokwenene ukuphelisa indlala kwaye ndiqinisekise ukuba bonke abantu behlabathi abasayi kuphinda babhuqwe yindlala.

Yeyiphi eyona nto imangalisayo ayakha yakwehlela?
Ukudibana noChristina kuba wandivumela ukuba ndibe ngumntu ongcono ndize ndidibane nabanye abantwana nabantu badala abafuna ukwenza umahluko kwilizwe lethu.

Oonozakuzaku bokuhamba basabela ngamava abo ohambo ukuya eGeneva, eSwitzerland

Abakhuseli abathathu bamalungelo abantwana, uSolakha Noyi, uRuan Klaase kunye noRushaan Abdol baye eGeneva, eSwitzerland ngoSeptemba, ukuya kuveza kwi-UNCRC iinyani eziphilayo zabantwana kwiphondo nakwilizwe. Aba bathathu banika iinkcukacha ngamava abo okuhamba, ukusukela ekuqaliseni kwenkqubo yesicelo se-visa, ukuhlala kwabo kangangeveki eGeneva de babuyele ekhaya.

Kutyelelo lwethu eGeneva sidibane nabantu abaninzi abamangalisayo. Sadibana noAndré noChristine abasebenzela iUNICEF. Basimemela kwisidlo sasemini. UChristine usazi kakuhle isiFrentshi yaye wasifundisa izinto ezimbalwa ngokukhawuleza. U-André wasithabathela kuhambo olumangalisayo lokuya eMontreux apho sasinepikiniki emnandi ngasechibini. Indlela esahamba ngayo la mini ndicinga ukuba ndehla emzimbeni, YHO, kodwa njengoko u-André watsho ukuba asilahlekanga, kodwa asizange sehle kwindawo efanelekileyo.

Saye sadibana no-Anne ongusihlalo weKomiti. Wasisa kwindawo ekuthengiswa kuyo i-ice cream kunye nepizza. Kwakhona siye sadibana noKarabo, usisi okrelekrele kakhulu. Usiphathele iitshokolethi kwaye uthetha ngokukhawuleza okumangalisayo.

Indibano yethu yayimangalisa kakhulu kwaye ndonwaba kakhulu. Eyona nto ibimnandi kukuba besinegumbi apho besinokuphumla kulo.

Amalungu eKomiti ebenobubele kwaye ebephulaphula ngenyameko kuyo yonke into ebesiyithetha. Saye saya nase eCERN apho ndithenge into yokunxiba. Ndandime phambi kwe-acceler-ayitha yokwenyani kwaye ndafunda okuninzi. Bekumnandi kuye wonke umntu ukuhlala nokuba ib-ingangeni ndawo kubo.

Siphinde saya kwinqaba yaseChillon eyayiyenye into eyayigqame kakhulu. Ndaziva ndingowasebukhosini ngokoqobo. Sadibana nabantwana baseYiputa kwaye sonwaba kakhulu. Ukuba kuloliwe nokubona ubuhle bendawo kwakumangalisa ngokwenene.

U-André wasithengele izipho kwaye ndisazama ukugqiba ukwakha iphazili yenqaba. Ngokubanzi, yayingamava amangalisayo kwaye ndisazama ukuziqhelanisa nokubuyela ekhaya kuba iSwitzerland yayingathi liphupha.

Kwafuneka sithumele imiyalezo yelizwi yemizuzu emibini njengesicelo sokuba uMkomishinala akhwele inqwelomoya e-Geneva kwaye yayinzima kakhulu kum kuba ndandingaqinisekanga ukuba ndiza kunyulwa.

Kwanyanzeleka ukuba uMkomishinala athumele isiphakamiso kuRhulumente kwaye kwanzima kakhulu oko kuba kwathatha ixesha elide ngaphambi kokuba batyikitye kodwa ngethamsanqa uMkomishinala wahlala ezithendeni zabo ukuze batyikitye isiphakamiso kwaye ekugqibeleni basityikityela sobathathu.

Ngethamsanqa ndiye ndakhethwa mna, kwafuneka ndihambe nabazali bam siye eKapa ukuze sifumane ivisa. Kwafuneka sigcwalise amaphepha neefomu ezininzi. Abazali bam babengasoloko befumaneka.

Ukuya kwiiofisi zokundwendwela kwakunzima kakhulu kuba sasingazi nokuba onke amaphepha atyikitywe ngempumelelo kusini na. Indawo yokulala ibigqwesile eKapa nangona kwezinye iihotele bekungekho sidlo sasemini.

Sakhwela inqwelo moya sisuka eKapa saya eDubai kwaye yayinde kakhulu. Eyona nto yayisikhathaza kakhulu yinto yokuba kwakufuneka silinde iiyure ezininzi inqwelo-moya yethu elandelayo eDubai kobo bushushu.Sathi xa sibhabha sisiya eGeneva, basibalisela ngezidubedube kwaye ndaba nomsindo kakhulu, ngethamsanqa kum asizange siyive tu.

Ukungena kwiinqelo ntaka kwasikhathaza kakhulu ukungeniswa ngokwamanqaba eklasi ngoba abanemali bangeniswa kuqala futhi bahleliswa ntofotofo kunabo bakumgangatho osezantsi.Kodwa nangona kunjalo iinqwelomoya zabo zazilungile kwaye ukutya abasiphakela kona kwakumnandi kakhulu.

Satyelela indawo ezininzi e-Geneva. Sasihamba ngezithuthi ezininzi eziquka ukuhamba ngesikhephe, itram, ibhasi, ulolwe kunye nenqwelomoya.

Ukufika kwethu ngeCawe saya eBurger King emva koko sayophola ehotele. NgoMvulo saya kwisakhiwo sasemthethwei seUnited Nations kwaye emva koko saya e-De Wilsons . Sisebenze kwiintetho zethu ngoMvulo. Sathatha isikhephe phezu konxweme iGeneva kwaye saya kwindawo yokutyela.

NgoLwesibini yayilusuku lweUN kwaye saphuma saya kwiindawo zokutyela emva koko. NgoLwesithathu siye saya kwi Universe Of Particles eCern. USolakha wayeyithanda le nto! Yayifundisa kakhulu. Kwakhona yayikufutshane kakhulu kumda weFransi kwaye sasifuna ukuhamba kodwa uTina wayengafuni. Emva koko saya kwindawo yokutyela apho satya izimu ncumuncu kunye noChristine, u-Eric, u-Andre, uNjingalwazi Ann kunye nelinye ilungu leKomiti.

URuan khange afune nokuyizama iFondue kodwa waphela eyithanda kwaye ekhalaza qho xa umntu esitya. Kwakumangalisa kakhulu apho kwaye ndaziva ndishushu ngaphakathi ngenxa yembali eyenzeka apho. Saphinda sahamba ngololiwe emva kwemini, saya ehotele kancinci saza saphinda saphuma saya kwindawo yokutyela yaseSwitzerland.

Sawuthanda kakhulu umculo wesintu waseSwitzerland kwaye satya ifondue yetshokolethi. Bandiculela usuku lokuzalwa olumnandi baze bandinika ne-ice cream meringue endabelana ngayo nabanye . NgoLwesine sahamba noAndre saya kwisixeko esikumgama oyiyure ngololiwe, esibizwa ngokuba yiMontreux. Siye salahleka kodwa sade sayifumana indlela yokujikeleza isixeko. U-Andre wathi, “Awusoze ulahleke, qha uhambo lwakho luyanda”. .
