1. The Department's Pre-Compliance Notice issued on 16 February 2018 and a site inspection on 23 August 2018 has reference.
2. Having considered your representations and all the evidence in this matter, I, Ayub Mohamed, Chief Director: Environmental Governance, Policy Co-ordination and Enforcement in my capacity as a Grade 1 Environmental Management Inspector, hereby issues Mr Koos Steyn with a Compliance Notice in terms of section 31L of the National Environmental Management Act, 1998 ("NEMA").

However, such application does not constitute permission to continue with the listed activity, which remains unlawful unless environmental authorisation is granted.
11. Notwithstanding the section 24G application, the Department may commence criminal proceedings should circumstances so require.
