COMPLIANCE NOTICE

Dear Sir

COMPLIANCE NOTICE IN TERMS OF SECTION 31L OF THE NATIONAL ENVIRONMENTAL MANAGEMENT ACT, 1998

1. The Department's Pre-Compliance Notice issued on 18 September 2018 and your representations dated 25 September 2018, have reference.
2. Having considered your representations and all the evidence in this matter, I, Achmad Bassier, in my capacity as an Environmental Management Inspector Grade 1, hereby issues Mr Eddie De Corte with a Compliance Notice in terms of section 31L of the National Environmental Management Act, 1998 ("NEMA").
3. This Compliance Notice relates to non-compliance with the provisions of section 24F of the NEMA. No activity listed in the Environmental Impact Assessment ("EIA")

Regulations Listing Notice 3 of 2014 may commence without environmental authorisation from the competent authority.

Details of conduct constituting non-compliance

4. During an investigation into allegations of the commencement of a listed activity in contravention of section 24F of the NEMA, a site inspection was conducted at Portions 46 & 19 of Farm Kransfontein, Stillbay by Environmental Management Inspectors from the Department's Directorate: Environmental Law Enforcement on 05 July 2018 and it was confirmed that you have commenced with the clearance of vegetation of more than 300 square meters and developed a road wider than 4m without the requisite environmental authorisation.

6. You are hereby instructed to:

- 6.1 Immediately cease the above listed activities;
- 6.2 submit to the Department within **30 (thirty) calendar days** of receipt of this Compliance Notice a rehabilitation plan compiled by a suitably qualified and experienced independent environmental assessment practitioner, which must include the following: assessment and evaluation of the impact on the environment; and
- 6.3 identification of proposed remedial and/or mitigation measures.

7. Approval of the report by the Department does not remedy the unlawful commencement of the above activities, which remain unlawful in terms of section 49A(1) (a) and/or (d) of the NEMA.
8. If the above report is approved by the Department, you will be obliged to take the necessary remedial / mitigation measures at your own cost.
9. If you wish to continue with the listed activity you may apply for environmental authorisation by way of a section 24G application. However, such application does not constitute permission to continue with the listed activity, which remains unlawful unless environmental authorisation is granted.
10. Notwithstanding the section 24G application, the Department may commence criminal proceedings should circumstances so require.

Varying this Compliance Notice

11. If you would like me to vary this Compliance Notice or extend the period to which it relates, you may make representations to me, in writing, to do so.

A person convicted of such an offence is liable to a fine not exceeding R10 million or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.
13. Furthermore, failure to comply with a Compliance Notice is an offence in terms of section 49A(1)(k). A person convicted of such an offence is liable to a fine not exceeding R5 million or to imprisonment for a period not exceeding 5 years, and in the case of a second or subsequent conviction to a fine not exceeding R10 million or to imprisonment for a period not exceeding 10 years, and in both instances to both such fine and such imprisonment.

14. Any non-compliance with the Compliance Notice must be reported to the Minister, who may:

- 14.1 revoke any permit or authorisation to which this Compliance Notice relates; and/or
- 14.2 take any steps necessary to ensure compliance with the provisions of the law, permit or authorisation to which this Compliance Notice relates and recover from you the cost of doing so.
