

# Our Climate is Changing

We all need to take action together

## Climate Friendly Learning

# PLANET EARTH IS HEATING UP

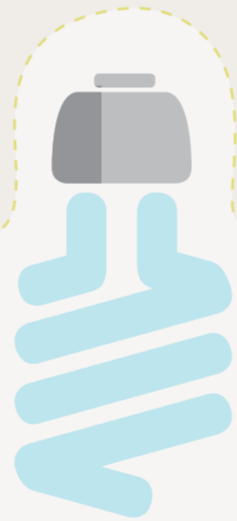

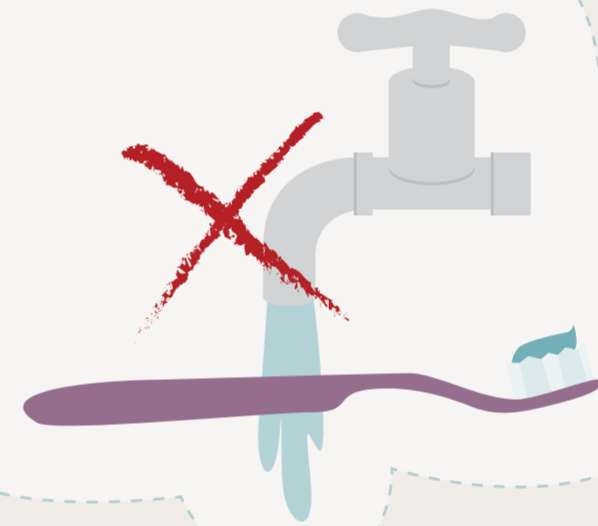

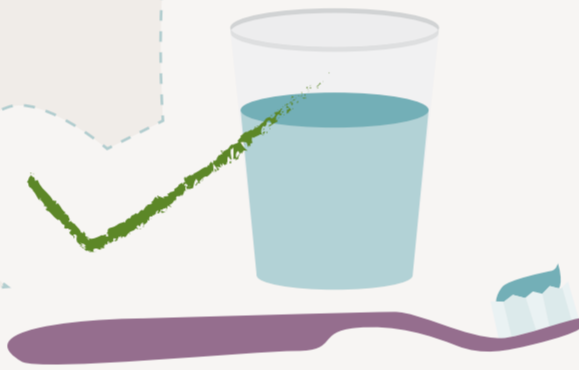

This is how **YOU** can help

### Temperature control

Turn down the heating in winter and wear warmer clothes

### Use water wisely

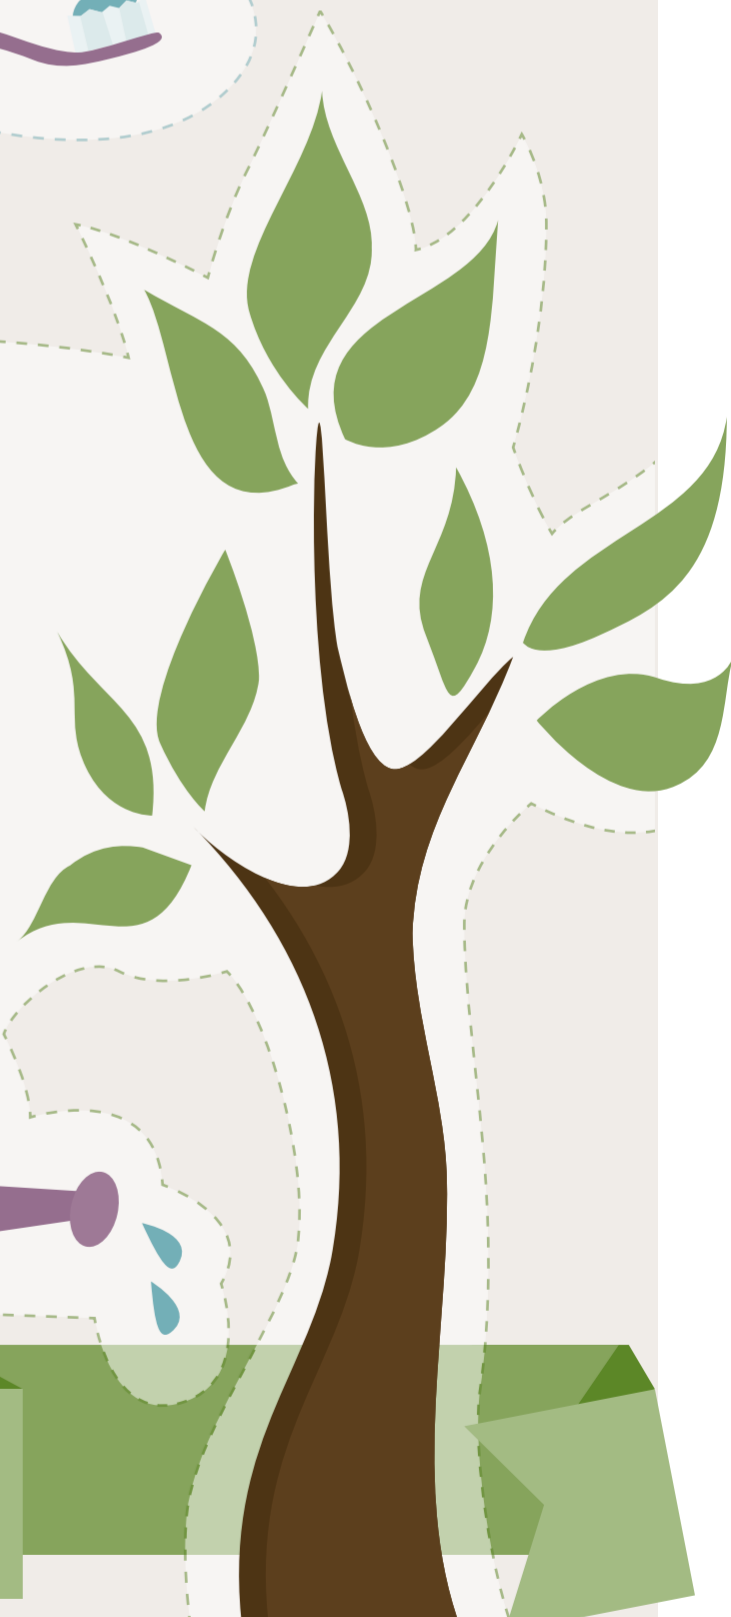

### Saving energy gives you power

Switch off the lights when you are not in the room

### Plant trees!

Trees absorb carbon dioxide. Planting more indigenous trees can help the planet and us stay cool.

### Don't waste

Reduce, Re-use, Recycle, Re-think

Recycling is climate friendly and raises funds for your school

Western Cape Government

Environmental Affairs and Development Planning

BETTER TOGETHER.
