

VOTE 9: 2017 BUDGET

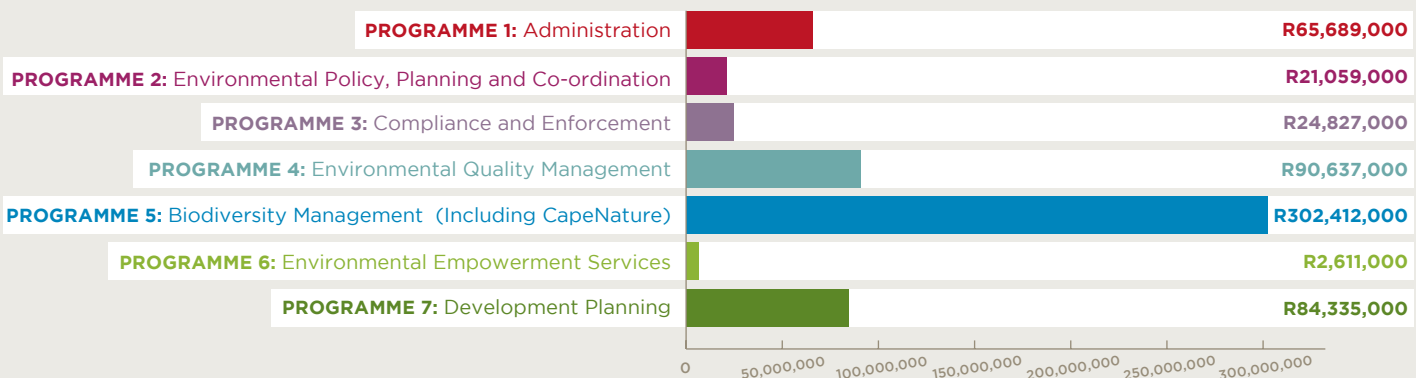

ENVIRONMENTAL AFFAIRS AND DEVELOPMENT PLANNING

With the remarkable landscapes and the uniquely diverse culture of the Western Cape, it is not difficult to see why the responsibility of our organisation is to conserve the environment for future generations by preventing environmental ruin. With this in mind the 2017 Budget was prepared within the context of a constrained economic and fiscal environment with no additional resources available for allocation.

HIGHLEVEL BREAKDOWN

PROGRAMME ALLOCATION BREAKDOWN

Effective planning to achieve our strategic goals **BETTER TOGETHER.**
