### **3. Establishment of the Western Cape Education Department**

The Western Cape Education Department is a provincial structure within the public service which is established in terms of section 197 of the Constitution. The PSA which gives effect to section 197 of the Constitution provides in section 7 thereof for provincial departments.

#### **3.1 Objectives/Mandate**

##### **Objectives:**

Quality education for every learner in every classroom in every school in the province. In realising the vision, the department will focus on the following policy priorities:

1. Strengthen and Expand quality learning opportunities for enhanced performance;
2. Enhance and Expand enabling learning environments;
3. Strengthen functionality and accountability; and
4. Strengthen and Enhance innovative adaptability and preparedness for changing context.

The mission of the WCED is to ensure that: Every child has quality learning opportunities in a functional and enabling environment to acquire knowledge, competencies, skills and values to succeed in a changing world.

##### **Mandate:**

###### *Constitutional mandate*

*The Constitution of the Republic of South Africa, 1996 (Act 108 of 1996):*

Section 29 guarantees that everyone has the right to basic education, including adult basic education; everyone has the right to receive education in the official language or languages of their choice in public educational institutions where that education is reasonably practicable, and that everyone has the right to establish and maintain, at their own expense, independent educational institutions that do not discriminate on the basis of race, are registered with the state, and maintain standards that are not inferior to standards at comparable public educational institutions. The state, with all its organs, has the duty to respect all fundamental rights, and is enjoined in terms of section 7(2) of the Constitution to promote and fulfil the rights enunciated in the Bill of Rights, in Chapter 2.

###### *Legislative and policy mandates*

The Western Cape Education Department (WCED), as an organ of state, fulfils the obligations imposed upon it within the context of the concurrent law-making competence conferred by the Constitution on parliament and provincial legislatures to regulate education at all levels excluding tertiary education (Part A of Schedule 4 to the Constitution). The following national and provincial legislative enactments are instructive:

*The National Education Policy Act), 1996 (NEPA (Act 27 of 1996):*

This Act provides for the determination of national education policy for planning, provision, financing, co-ordination, management, governance, programmes, monitoring, evaluation and wellbeing of the education system by the Minister, subject to the competence of the provincial legislatures in terms of section 146 of the Constitution, principles listed in section 4 of the Act, and the relevant provisions of provincial law relating to education. It further provides for consultative structures for the determination of national education policy and legislation in the form of the Council for Education Ministers (CEM), Heads of Education Departments Committee (HEDCOM), and other consultative bodies on any matter the Minister may identify, as stated in section 11 of the Act and, where applicable, the Education Labour Relations Council.

### **The South African Schools Act, 1996 (SASA) (Act 84 of 1996):**

This Act applies to all school education in the Republic of South Africa. Its purpose is to give effect to the constitutional right to education. Subject to this Act and any applicable provincial law, every parent must cause every learner for whom he or she is responsible to attend a school from the first school day of the year in which such learner reaches the age of seven years until the last school day of the year in which such learner reaches the age of fifteen years or the ninth grade, whichever occurs first. This Act outlaws any form of discrimination, it seeks to redress past injustices in the provision of education and to provide education of a progressively high quality for all learners.

In terms of the Act, three partners oversee the operations of schools:

- i) The national government represented by the Minister of Basic Education whose primary role is to determine national policy, subject to the provisions of the Constitution, the provisions of the Act and considering the competency of the provincial legislature;
- ii) the provincial government which acts through the Provincial Minister for Education. The Provincial Minister bears the obligation to provide public schools and, together with the Head of Department, exercises executive and administrative control over public schools through principals; and
- iii) governing body in which the governance of the schools is vested on condition that they only perform such functions and obligations and exercise only such rights as prescribed by SASA.

A draft Basic Education Laws Amendment Bill published by the Minister of Basic Education in Government Gazette 41178, Notice 1101 dated 13 October 2017, proposes amendments to this Act.

### **The Western Cape Provincial School Education Act, 1997 (Act 12 of 1997) as amended in 2018:**

Amendments to the Act promulgated in 2018, made provision for:

- the establishment of an evaluation authority to be known as the Western Cape School Evaluation Authority (or "SEA"), which is intended to improve the school quality assessment and establish a new SEA in the Western Cape to conduct independent evaluations of school quality that are credible, transparent and effective in enabling school improvement in the province. The outcomes of these assessments are published.
- Collaboration Schools and Donor Funded Schools. The WCED's approach to Collaboration Schools and Donor Funded Schools reflects the commitment of the Western Cape Government to consider all innovative options for improving opportunities, especially in poor communities.
- the establishment of short-term intervention facilities for learners who have been found guilty of serious misconduct, as an alternative to expulsion.
- the enabling of classroom observation, and, providing for an exception to the prohibition of alcohol on school premises, on application to the Head of Department, to permit the consumption or sale of alcoholic liquor on school premises or at any school activity held on school premises.

### **The Service Delivery Improvement Plan (SDIP) Directive, 2019:**

The SDIP as issued by the Department of Public Service and Administration (DPSA) required that a department must submit their approved SDIPs to the DPSA by 31 March every 5 years. SDIPs must be aligned to the Strategic Plans of each department.

**The Employment of Educators Act, 1998 (Act 76 of 1998):**

This Act applies to the employment of educators at public schools and in departmental offices and provides for the determination of salaries and other conditions of service of educators by the Minister of Basic Education, subject to the Labour Relations Act or any Collective Agreement concluded by the Education Labour Relations Council and the Personnel Administrative Measures (PAM).

A draft Basic Education Laws Amendment Bill published by the Minister of Basic Education proposes amendments to this Act.

**Public Finance Management Act, 1999 (Act 1 of 1999):**

This Act applies to departments, public entities listed in Schedule 2 or 3, constitutional institutions and provincial legislatures subject to subsection 3(2) of the Act, and regulates accountability, transparency and sound management of the revenue, expenditure, assets and liabilities of institutions listed in section 3 of the Act, and also contains responsibilities of persons entrusted with financial management. In terms of sections 13 and 22 of the PFMA, school fees do not form part of the revenue funds, which are regulated by the PFMA. This implies that the PFMA do not apply to schools and that the financial management of school funds is provided for in the SASA and not the PFMA.

**The South African Council for Educators Act, 2000 (Act 31 of 2000):**

This Act deals with the registration of educators in the teaching profession with the South African Council for Educators (SACE), and further provides for promotion, development and enhancement of the teaching profession as well as the enforcement of the Code of Professional Ethics for educators to protect the dignity of the profession on continuous basis.

**Public Service Act, 1994 (Proclamation 104 of 1994):**

This Act deals with the organisation and administration of the public service of the Republic as well as the regulation of the conditions of employment, terms of office, discipline, retirement and discharge of the members of the public service.

**The Promotion of Administrative Justice Act [PAJA], 2000 (Act 3 of 2000) and the Promotion of Access to Information Act [PAIA], 2000 (Act 2 of 2000):**

These Acts are essential legislative instruments and apply, in the case of PAJA, to all administrative acts performed by the state administration that influence members of the public. It deals with the requirements for procedural fairness if an administrative decision affects a person (section 3) or public (section 4), reasons for administrative action and grounds for judicial review (sections 5 and 6). PAIA on the other hand deals with section 32 of the Constitution, the right of access to information 'records' held by public and private bodies such as all documents, recordings and visual material, but does not apply during civil and criminal litigation.

**Protection of Personal Information Act, 2013 (POPIA) (Act 4 of 2013):**

To promote the protection of personal information processed by public and private bodies; to introduce certain conditions so as to establish minimum requirements for the processing of personal information; to provide for the establishment of an Information Regulator to exercise certain powers and to perform certain duties and functions in terms of this Act and the Promotion of Access to Information Act, 2000; to provide for the issuing of codes of conduct; to provide for the rights of persons regarding unsolicited electronic communications and automated decision making; to regulate the flow of personal information across the borders of the Republic; and to provide for matters connected therewith.

**Occupational Health and Safety Act, 1993 (OHSA) (Act 85, 1993):**

To provide for the health and safety of persons at work and for the health and safety of persons in connection with the use of plant and machinery; the protection of persons other than persons at work against hazards to health and safety arising out of or in connection with the activities of persons at work; to establish an advisory council for occupational health and safety; and to provide for matters connected therewith.

**Labour Relations Act, 1995 (LRA) (Act 66 of 1995):**

To change the law governing labour relations and, for that purpose –

- to give effect to section 27 of the Constitution;
- to regulate the organisations rights of trade unions;
- to promote and facilitate collective bargaining at the workplace and at sectoral level;
- to regulate the right to strike and the recourse to lock-out in conformity with the Constitution;
- to promote employee participation in decision-making through the establishment of workplace forums;
- to provide simple procedures for the resolution of labour disputes through statutory conciliation, mediation and arbitration (for which purpose the Commission for Conciliation, Mediation and Arbitration is established), and through independent alternative dispute resolution services accredited for that purpose;
- to establish the Labour Court and Labour Appeal Court as superior courts, with exclusive jurisdiction to decide matters arising from the Act;
- to provide for a simplified procedure for the registration of trade unions and employers' organisations, and to provide for them
- regulation to ensure democratic practices and proper financial control;
- to give effect to the public international law obligations of the Republic relating to labour relations;
- to amend and repeal certain laws relating to labour relations; and
- to provide for incidental matters.

In addition to the legislative mandates mentioned above, the following white papers, policies and prescripts guide the WCED in its delivery of quality education:

**The National Curriculum Statement Grade R-12:**

This comprises Curriculum and Assessment Policy Statements for all approved school subjects;

### **Draft Curriculum and Assessment Policy Statement for Learners with Severe Intellectual Disability (SID), Grade R-5:**

This Policy has invited public comment and envisages to present knowledge and skills at a more functional and at reduced breadth and depth, while also making available a few occupational subjects, giving an opportunity to receive an endorsed statement of achievement. WCED submitted its response to DBE on 1 August 2018.

### **Draft Guidelines on Resourcing of an Inclusive Education System:**

The draft Guidelines on Resourcing of an Inclusive Education System, published in Government Gazette 41581 dated 20 April 2018 deal with, amongst other things, special schools, resource centres for these schools, full-service schools, ordinary public schools and district-based support teams.

  - (i) effectively upholds principles for reasonable processing of the information that are substantially similar to the conditions for the lawful processing of personal information relating to a data subject who is a natural or juristic person; and
  - (ii) includes provisions relating to the further transfer of personal information from the recipient to third parties who are in a foreign country;
- (b) The data subject consents to the transfer;
- (c) The transfer is necessary for the performance of a contract between the data subject and the Western Cape Education Department, or for the implementation of pre-contractual measures taken in response to the data subject's request;
- (d) The transfer is necessary for the conclusion of performance of a contract between the Western Cape Education Department and a third party; or
- (e) The transfer is for the benefit of the data subject, and—

  - (ii) if it were reasonably practicable to obtain such consent, the data subject would be likely to give it.

### 12.4 General Description of Information Security Measures to be implemented by the Western Cape Education Department to ensure the confidentiality, integrity and availability of the information

12.4.1 The integrity and confidentiality of personal information is protected against anticipated threats and unauthorised access by employing security safeguards that are reasonable and appropriate to the identified risks and the sensitivity of the information.

12.4.2 These safeguards include the following:

12.4.3 Organisational measures:

- The Head of Department takes overall responsibility for the security of all Departmental information.
- The Departmental Security Manager manages this security function in DotP on behalf of the DG supported by a DotP Security Committee.
- The Chief Information Officer (CIO) ensures that appropriate measures are in place to safeguard ICT infrastructure, networks and systems. This includes taking responsibility for third parties that develop, access or use WCG ICT infrastructure, networks and systems.
- A Chief Information Security Officer (CISO) assesses and documents enterprise information risk and manages the risk in respect of ICT infrastructure, networks and systems.
- Safekeeping and security responsibilities are included in the responsibilities of employees working with personal information and they have to adhere to information security laws, policies, plans and procedures.
- Security incidents are reviewed and reported on.

12.4.4 Physical measures:

- Access to facilities and equipment is controlled and auditable.
- Access points are limited with provision for physical security controls, such as window bars, grilles, shutters and security doors. Where required access points are enhanced by the use of intruder detection systems, guard services and/or closed-circuit television surveillance.
- Access is controlled and monitored through a combination of manned guarding, electronic access control systems, ID access cards, visitor management systems, biometric activation doors, turnstiles and entry & egress searching.

12.4.5 Technical measures

- The Information Security standards issued for the public service is adhered to.
- Agreements concluded with third parties include the protection of the integrity and confidentiality of information by the third parties.
- Risks are assessed during the development of new applications and systems, when changing existing systems, when changing business processes and when areas of concern are identified.
- Risk to the ICT infrastructure, networks and systems is managed through vulnerability and threat testing and awareness, audit controls, incident management and security awareness training.

12.4.6 Similar safeguards are required from service providers, suppliers and business partners who receive personal information from or on behalf the WCG during their relationship with DotP.

#### 1.1 Application form

- A prescribed form (attached as **FORM 2**) must be completed by the requester and submitted to the Information Officer/Deputy Information Officer.

  - A request may be made on behalf of another person but then the capacity in which the request is made must be indicated on Form 2. The requester must also submit proof of the capacity in which the request is made, to the reasonable satisfaction of the Information Officer/Deputy Information Officer.
  - A requester (data subject) seeking to confirm whether his/her personal information is held by the public body or the identities of third parties who had access or requires access to his/her own personal information must provide proof of their identity and is required to supply a certified copy of their identity document for authentication purposes.

#### 1.2 Fees

- The fees for requesting and searching for a record, as well as making copies of the record, are prescribed by the regulations made in terms of PAIA. (Attached as **FEE SCHEDULE**) The following fees are payable:

  - Access fee for the reasonable time spent to search for and prepare the record, if it takes more than an hour to search and prepare a record. A deposit, of not more than a third of the total access fee, may be required. However, the full access fee is payable before access is granted; and
  - for making copies of the record.

#### 1.3 Applicants who are exempt from paying a request fee:

- A maintenance officer/investigator requesting access to a record for a maintenance investigation or inquiry in terms of the Maintenance Act, 1998 (or regulations made in terms thereof.)

#### **3.1 Doelstellings/Mandaat**

##### **Doelstellings:**

Gehalte-onderrig vir elke leerder in elke klaskamer in elke skool in die provinsie. Om hierdie visie te verwesenlik sal die Departement op die volgende beleidsprioriteite fokus:

1. Versterk en brei gehalte-leergeleenthede uit vir verbeterde prestasie;
2. Verbeter en vergroot 'n toelatende leeromgewing;
3. Versterk funksionaliteit en verantwoordbaarheid ; en
4. Versterk en verbeter vernuwende aanpasbaarheid en bereidheid vir 'n veranderende konteks.

Die missie van die Wes-Kaapse Onderwysdepartement is om te verseker dat: Elke kind gehalte-leergeleenthede in 'n funksionele en toelatende omgewing het om kennis, bevoegdehede, vaardighede en waardes te bekom om suksesvol te wees in 'n veranderende wêreld.

##### **Mandaat:**

###### *Grondwetlike mandaat*

###### *Die Grondwet van die Republiek van Suid-Afrika, 1996:*

Artikel 29 waarborg dat elke mens die reg tot basiese onderwys, insluitend volwasse basiese onderwys, het; dat elkeen die reg het om onderrig in die amptelike taal of tale van hulle keuse in openbare onderwysinstellings te ontvang waar sodanige onderwys redelik prakties haalbaar is, en dat elkeen die reg het om op hulle eie koste onafhanklike onderwysinstellings tot stand te bring en te onderhou wat nie op die grondslag van ras diskrimineer nie, by die staat geregistreer is en standaarde handhaaf wat nie minderwaardig is vergeleke met die standaarde by vergelykbare openbare onderwysinstellings is nie. Die staat, met al sy staatsorgane, het die plig om alle fundamentele regte te respekteer, en het kragtens Artikel 7(2) van die Grondwet 'n verpligting om die regte wat in Hoofstuk 2 van die Handves van Regte vervat is, te bevorder en te verwesenlik.

###### *Wetgewende en beleidsmandate*

Die Wes-Kaapse Onderwysdepartement (WKOD), vervul, as orgaan van die staat, die verpligte wat op hom geplaas is binne die konteks van gelyklopende wetgewende bevoegdheid wat deur die Grondwet aan die parlement en provinsiale wetgewers toegeken is om onderwys op alle vlakke, uitsluitend tersiêre onderwys, te reguleer (Afdeling A van Skedule 4 tot die Grondwet), geleid deur die volgende nasionale en provinsiale wetgewende verordeninge:

###### *Die Nasionale Wet op Onderwysbeleid, 1996 (NWOB) (Wet 27 van 1996):*

Dié wet maak voorsiening vir die vasstelling van nasionale onderwysbeleid vir beplanning, verskaffing, finansiering, koördinering, bestuur, bestuurstoesig, programme, monitering, evaluering en welsyn van die onderwysstelsel deur die minister, onderworpe aan die bevoegdheid van die provinsiale wetgewers ooreenkomsdig Artikel 146 van die Grondwet, beginsels wat in Artikel 4 van die wet verskaf word en die tersaaklike voorsienings van provinsiale wette wat met onderwys verband hou. Dit maak voorts voorsiening vir raadgewende strukture vir die vasstelling van nasionale onderwysbeleid en wetgewing in die vorm van die Raad vir Onderwysministers (ROM), Komitee van Hoofde van

Onderwysdepartemente (KHOD), en ander raadgewende instellings oor enige saak wat die minister mag identifiseer, soos voorsien in Artikel 11 van die wet, en, waar van toepassing, die Raad op werkverhoudinge in die onderwys.

#### Die Suid-Afrikaanse Skolewet, 1996 (SASW) (Wet 84 van 1996):

Hierdie wet is van toepassing op alle skoolonderwys in die Republiek van Suid-Afrika. Die doel hiervan is om uitvoering te gee aan die grondwetlike reg tot onderwys. Kragtens hierdie wet en enige ander toepaslike provinsiale wet, moet elke ouer toesien dat elke leerder vir wie hy of sy verantwoordelik is, vanaf die eerste dag van die jaar waarin sodanige leerder sewe jaar oud sal word tot die laaste dag van die jaar waarin sodanige leerder vyftien jaar oud word, of in die negende graad is, watter ook al eerste gebeur. Hierdie wet maak enige vorm van diskriminasie strafbaar, dit wil die onregte van die verlede rakende die3 voorsiening van onderwys uitwis, en wil onderwys van 'n progressiewe hoër gehalte vir alle leerders verskaf.

Kragtens hierdie wet is daar drie vennote wat oorsig oor die bedrywighede van skole het:

- i) Die nasionale regering, verteenwoordig deur die minister van basiese onderwys, wie se primêre rol is om nasionale beleid vas te stel onderworpe aan die bepalings van die wet en met inagneming van die bevoegdheid van die provinsiale wetgewer;
- ii) die provinsiale regering wat deur die provinsiale minister van onderwys handel. Die provinsiale minister het die verpligting om openbare skole te voorsien, en oefen saam met die Departementshoof uitvoerende en administratiewe beheer oor die openbare deur skoolhoofde uit; en
- iii) beheerliggaam waarin die bestuurstoesig van skole gevëstig is, op voorwaarde dat sodanige beheerliggaam slegs sodanige funksies en verpligte verrig en slegs sulke regte uitoefen soos deur die SASW voorgeskryf word.

'n Konsep-Wysigingswet op Basiese Onderwyswette wat deur die minister van Basiese Onderwys in die Staatskoerant 41178, Kennisgewing 1101 van 3 Oktober 2017 gepubliseer is, stel wysigings aan hierdie wet voor.

#### Die Wes-Kaapse Provinciale Wet op Skoolonderrig (Wet 12 van 1997), soos gewysig in 2018:

Wysigings aan die Wet, wat in 2018 gepromulgeer is, maak voorsiening vir:

- Die instelling van 'n evalueringsgesagsliggaam wat as die Wes-Kaapse skoolevalueringsowerheid (of SEO) bekend staan, wat bedoel is om die skoolgehalte-assessering te verbeter en 'n nuwe SEO in die Wes-Kaap om onafhanklike evaluerings van skoolgehalte te doen, wat geloofwaardig, deursigtig en doeltreffend is om skoolverbetering in die provinsie te laat gebeur. Die uitkomste van hierdie assessorings word gepubliseer.
- Samewerkingskole en donateur-befondste skole. Die WKOD se benadering tot samewerkende skole en donateur-befondste skole weerspieël die verbintenis van die Wes-Kaapse Regering om alle innoverende opsies vir die verbetering van geleenthede, veral in arm gemeenskappe, te oorweeg.
- Die vestiging van korttermynintervensielerewe vir leerders wat skuldig bevind is aan ernstige misdrywe, as alternatief tot skorsing.
- Die toelating van klaskamerwaarneming, wat voorsiening maak vir die uitsondering van die verbod op alkohol op skoolterreine, op aansoek aan die Departementshoof, om die verbruik of verkope van alkoholiese drank op skoolterreine of by enige skoolaktiwiteit wat op die skoolterrein aangebied word, toe te laat.

#### Die Riglyne vir die Plan vir die verbetering van dienslewering (RVDL), 2019:

Die RVDL, soos uitgereik deur die Departement van Openbare Diens en Administrasie (DODA) vereis dat 'n departement elke vyf jaar sy goedgekeurde RVDL'e aan die DODA moet voorlê. Die RVDL'e moet met die Strategiese plan vir elke departement belyn wees.

#### **Die Wet op die Indiensneming van Opvoeders, 1998 (Wet 76 van 1998):**

Hierdie wet is van toepassing op die indiensneming van opvoeders by openbare skole en in die departemente kantore, en maak voorsiening vir die vasstelling van salarisse en ander diensvoorwaardes vir opvoeders deur die minister van basiese onderwys, onderworpe aan die Wet op arbeidsverhoudinge of enige ander kollektiewe ooreenkoms wat deur die Opvoederswerkverhoudingsraad en Personeel- administratiewe maatreëls (PAM) aanvaar is.

'n Konsep-wysigingswet op basiese onderwyswette wat deur die minister gepubliseer is, stel wysigings aan hierdie wet voor.

#### **Wet op die Bestuur van Openbare Finansies, 1999 (Wet 1 van 1999):**

Hierdie wet is van toepassing op departemente, openbare entiteite wat in Skedule 2 of 3 gelys is, grondwetlike instellings en provinsiale wetgewers, onderworpe aan Subartikel 3(2) van die wet, en reguleer verantwoordbaarheid, deursigtigheid en gesonde bestuur van die inkomste, besteding, bates en laste van instellings wat in Artikel 3 van die wet gelys is, en bevat ook alle verantwoordelikhede van persone wat met finansiële bestuur toevertrou is. Kragtens Artikel 13 en 22 van die WBOF vorm skoolgeld nie deel van die inkomstefonds wat deur die WBOF gereguleer word nie. Dit impliseer dat die WBOF nie op skole van toepassing is nie en dat die finansiële bestuur van skoolfonds in die SASW, en nie in die WBOF nie, voorsien word.

#### **Die Wet op die Suid-Afrikaanse Raad vir Opvoeders, 2000 (Wet 31 van 2000):**

Hierdie wet handel met die registrasie van opvoeders in die onderwysberoep by die Suid-Afrikaans Raad vir Opvoeders (SARO) en maak voorts voorsiening vir bevordering, ontwikkeling en verbetering van die onderwysberoep, asook die handhawing van die Professionele Etiese Kode vir opvoeders om die waardigheid van die beroep deurlopend te beskerm.

#### **Staatsdienswet, 1994 (Proklamasie 104 van 1994):**

Hierdie wet handel met die organisasie en administrasie van die staatsdiens van die Republiek, asook die regulering van voorwaardes oor indiensneming, ampstermyne, dissipline, aftrede en ontslag van die lede van die staatsdiens.

#### **Die Wet op die Bevordering van Administratiewe Geregtigheid [WBAG], 2000 (Wet 3 van 2000) en die Wet op die Bevordering van Toegang tot Inligting [PAIA], 2000 (Wet 2 van 2000):**

Hierdie wette is wesenlike wetgewende instrument en is, in die geval van WBAG, van toepassing op alle administratiewe optredes deur die staatsadministrasie wat lede van die publiek raak. Dit handel met die vereistes vir procedurele billikheid as 'n administratiewe besluit 'n persoon (Art. 3), of die publiek (Art. 4) of redes vir administratiewe optrede en gronde vir geregtelike hersiening (Art. 5 en 6) raak. PAIA, daarteenoor, handel met art. 32 van die Grondwet, die reg tot toegang tot inligtingsverslae wat deur staats- en private instellings gehou word, soos alle dokumente, opnames en visuele materiaal, maar is nie van toepassing tydens siviele en kriminele litigasie nie.

#### **Wet op die Beskerming van Persoonlike Inligting, 2013 (POPIA) (Wet 4 van 2013):**

Om die beskerming van persoonlike inligting wat deur staats- en private instellings verwerk word, te bevorder; om sekere voorwaardes in te stel soos om minimum vereistes vir die verwerking van persoonlike inligting vas te stel; om die instelling van 'n Inligtingsreguleerder te voorsien wat sekere magte het en sekere pligte en funksies kragtens die wet en die Wet op die Bevordering van Toegang tot Inligting (2000) uitvoer; om voorsiening te maak vir die instelling van gedragskodes; om voorsiening te maak vir die regte van persone oor ongevraagde elektroniese kommunikasie en automatiese besluitneming; om die vloei van persoonlike inligting oor die grense van die Republiek te reguleer, en om voorsiening vir verwante sake te maak.
