## 2.1.1 Educator Information (Menu 2.1)

This menu contains only the details of the educators at the school.

- This **part is compulsory** as the information is required by all school surveys and other official school documents.

- Data should be **checked quarterly and updated** when there are any changes.
- Educators cannot be deleted but only Archived.

✓ The educator screen has an option to list **Current Educators** or **Archived Educators** as seen at the top of the screen. (Fig. 3)

- The total number of educators captured is indicated at the top.
- Educators are listed alphabetically with contact number, Persal Number and post level.

The screenshot shows the 'Educators (2.1)' window. At the top, there are tabs for 'View Educators' and 'Assign Register Class'. Under 'View Educators', there are radio buttons for 'Current Educators' (selected) and 'Archived Educators'. A counter shows '22' current educators. Below this is a table with columns: \* Surname, Name, \* Code, Cellphone, Persal No, and Post Level. The table lists 22 educators. To the right of the table are several buttons: 'Add New Educator', 'Edit an Educator', 'Archive an Educator', 'Subject Specialisations', 'Leave and Absences', 'Teaching Load', 'Assign Register Class', 'Print Register Classes', 'Educator Contact List', and 'Done'. At the bottom, there is a search bar with the text 'Search List for Educator', a 'Go' button, and a note: 'Only archived educators may be deleted from the system'.
