## A. INTRODUCTION

### 1. Purpose of the Module

The **Learner and Parent Information Module** and **Learner Listing Module** (Fig. 1) assist schools with the administration of the biographical data of learner's and parent's information.

- It also contains the processing and administration of attendance, disciplinary and extra-mural functions. (Included in Part 1)
- **This module also assists with the administration of the promotion procedures and placing of learners in register classes. (Included in Part 2)**

## B. COMPONENTS OF THE MODULE

### 2. Module 3: Learner and Parent Information (continued)

The administration and management functions regarding information can be divided according to the specific purposes:

- 2.1 Placing learners in grades and classes
- 2.2 Assigning subjects to learners

These sections are tabled below with the relevant headers and SA-SAMS menus that are used in this manual:

Header & (SA-SAMS menu number)	Functionality

## 2.1 Learner Placement

All learners (SNE and others) need to be placed in a grade as specified by the National Assessment Policy.

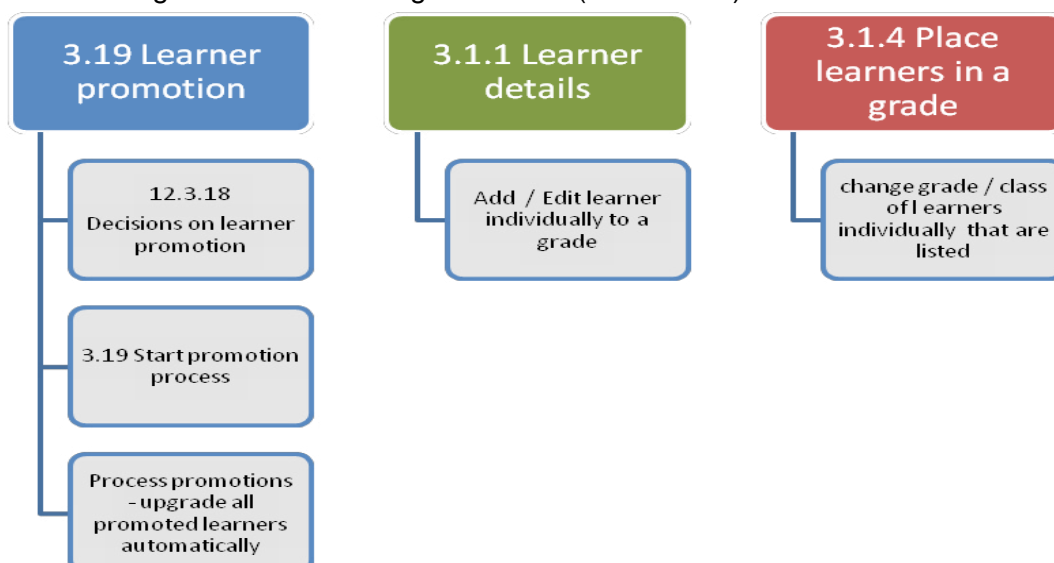

- Learners of different grades can be grouped in the same class e.g. multi-grade classes and LSEN / Remedial classes.
- Learners in a grade can only be assigned subjects registered to that grade. (Subjects of more than one grade CANNOT be assigned to a learner e.g. English HL Gr 2, Life Orientation Gr 3 and Math Gr 3.

### 2.1.1 Place Learners in Grades & Classes

Learners are placed in a grade using the following menus and functions:

- 2.1.1a The promotion function places a promoted learner automatically in the next grade (Menu 3.19).
- 2.1.1b The grade and class are captured when adding a new learner or editing learner details (Menu 3.1.1).
- 2.1.1c Learner grades can be changed on a list (Menu 3.1.4).

### 2.1.1a Assign Learner to Grade: Promotion Process (Menu 3.19)

On Menu 12.3.18 learners are promoted (not promoted or progressed) based on the assessment results at the end of the year.

- On Menu 3.19 click on **Place Learners in New Grade** to start the process (Fig. 4).
- This process is not reversible but learners can be later changed manually on (Menu 2.1.4). This process is discussed in section 3 of this guide.

Grade	Total	Promot...	Repeats	Not Promoted	%Prom...
8	222	220	1	1	99.1
9	228	222	4	2	97.37
10	231	212	9	10	91.77
11	222	208	6	8	93.69
12	216	216	0	0	100

### 2.1.2 Assign Learners per Group to Register Classes (Menu 3.1.5)

Learners can **be assigned as a group to a register class** in **Assign Learners to classes** (3.1.5) as follows

Click on Menu 3.1.5 to open the list of available classes and learners. (Fig. 8)

- Learner names **printed in blue** indicate that the learner has already been assigned to a class.
- The **number of learners in the class** is displayed in the bottom right. This is to assist with equal distribution of the learners to the classes.
- Click on the **Class Name** and then click on every learner that needs to be assigned to the class.
  - The assigned learners' names move to the box on the right.
- To **remove** a learner from the class
  - Click on the **learner's name** in the box on the right and then click on the (**<<**) arrow.
  - The learner's name moves to the box on the left.
  - Click on **<< All** to **remove all learners** from the class.
- Click on **Save** to save all the class changes.

Click on **Done** to exit the screen.

### 2.1.6 Year-End Learner Promotions

This section assists the school with the administration of placing learners in the correct grade for the following year. It also assists in reporting on the number and % of repeaters and learners not promoted.

- On Menu 3.19 select a year to populate the aggregate numbers per grade (Fig. 16).
- This process can only be performed once per year and is NOT reversible (Fig. 17).
- Click on **Place Learners in New Grade**
  - To open a screen with grades and learners (Fig. 18) in order to select the learners not promoted with reason.
- Click on **Process Learner Promotions** to move learners to the new grade (Fig. 19).
- Click on **Place Learners in New Class** (Fig. 23)
- Click on **Annual Promotion Printout** to view and print the summary statistics (Fig. 25).
- Click on **Learners repeating /dropout** to view and print the list of learners (Fig. 26).

- Click on **Comparative Statistics** per gender to view / print the summary statistics (Fig. 27).

## 2.2 Learners with subjects

### 2.2.1 Assign Subjects to a Learner (Menu 12.1.15)

Subjects can be updated to learners using three methods:

2.2.1a Adding a subject set to the whole class.

2.2.1b Adding a subject set to an individual learner.

2.2.1c Adding individual subjects to individual learners.

#### 2.2.1a SUBJECT SETS added to the whole class:

Click on **Assign Subjects to Individual Learners** to open the capturing screen (Fig. 28).

- Click on the specific **Grade**.
- Click on the **Specific Class** and a list of learner of names appears.
- Click on one of the learners to verify the subjects currently assigned.
  - This is a good practice before updating the subjects to ensure that there are no previous grades, old or wrong subjects assigned to the learners.
- Click on **Remove ALL subjects for all learners in this class** to clear the subject field before adding a new field.
  - This option deletes subjects and will clear all marks captured in the current year.

There are three tabs (pages) above the listed learners that will be used to update / assign subjects to learners. (Fig. 28). The tabs are:

- Class list
- Master Subject List (for the grade)
- Subject Sets (for the grade)

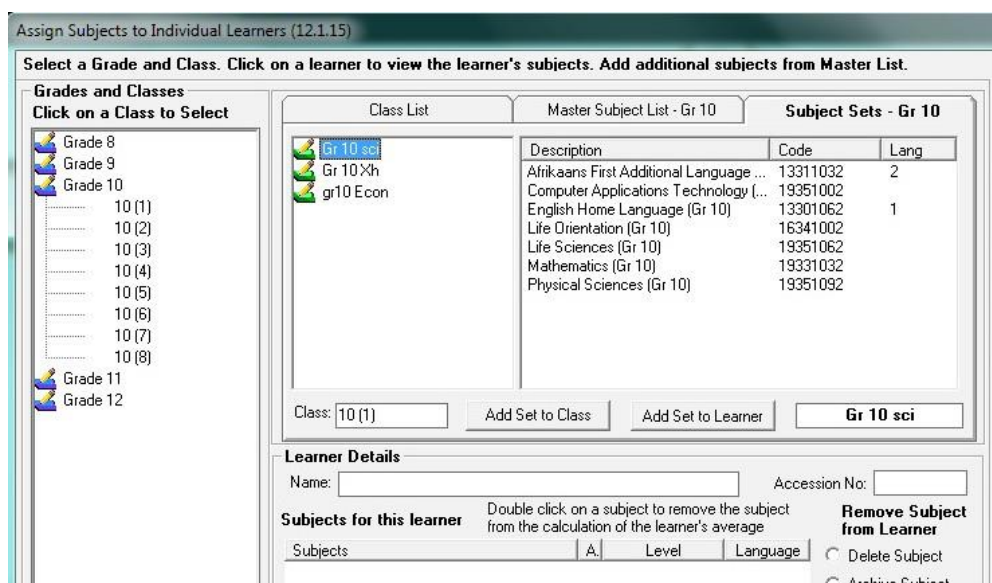

Figure 28: Assigning Subject Sets to Learners

- Click on **Subject Sets** (page/tab 3) as seen in Figure 28.
  - A list of subject sets created for the grade will populate in the centre of the screen
- Click on the name of the **selected set**.
  - The **class name** and options “**Add Set to Class**” and “**Add Set to Learner**” appears.
- Click on **Add Set to Class**. The subjects grouped in the set are added at once to all the learners in the class.
- Repeat for all the other classes and grades.

### 2.2.1b SUBJECT SETS added to an individual learner

- Click on the **learner's name** on the list.
- Click on **Subject Sets** (page/tab 3) as seen in Figure 28.
  - A list of subject sets created for the grade will populate in the centre of the screen
- Click on the name of the **selected set**.
  - The **class name** and options “**Add Set to Class**” and “**Add Set To Learner**” appears.
- Click on **Add Set to Learner**.
  - The subjects grouped in the set are added to the learner and appears at the bottom under **Learner details**.
- Repeat for other learners.

### 2.2.1c SINGLE SUBJECTS added

Click on **Assign Subjects to Individual Learners (12.1.15)** to open the screen (Fig. 29).

- Click on the specific **Grade**.
- Click on the **specific class** and a list of learner names appears.
- Click on the selected **learner** on the list.
  - The learner's subject details are shown at the bottom of the screen.
- Click on **Master Subject List** (page/tab 2) as seen in Figure 29.
  - A list of subject for the grade will populate in the centre of the screen.

- The class name and option “Add Subject to Learner” appears.
- Click on the **Subject**.
- Click on **Add Subject to Learner**
  - The subject is added to the learner and appears at the bottom under **Learner Details**.
- Click on **Y** to include the subject’s marks to the average of the learner or **N** if the marks of the subject should not form part of the learner’s average.
- Repeat for other learners.

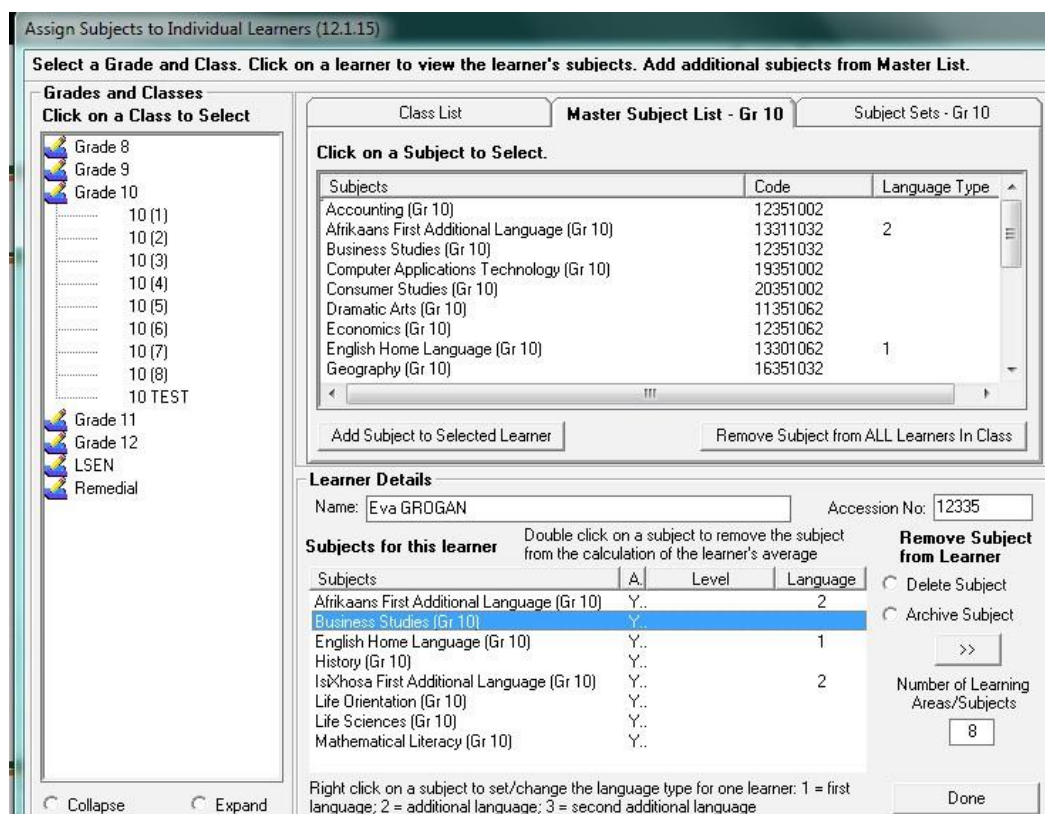

Figure 29: Assign Individual Subjects to Learners

## 2.2.2 View / Print Learner Subject Allocation (Menu 12.1.18)

This menu can be used by school management to validate the subjects assigned to the learners.

📄 **View/ print learner subject allocation** menu (Fig. 30) allows you to print the following lists:

- All learners with their allocated subjects, also per grade and a specific class.
- All learners without any allocated subjects
- Lists can be printed for learners in GR 12 with more than 7 subjects, with 7 subjects and a list with learners less than 7 subjects.

Figure 30: Learner Subjects

- Select a relevant option and then click the **Print** button to print a preview list.

### 2.2.3 NSC Exam Registration (Menu 3.17)

A selected group of learners can be exported and uploaded to be registered for the National Senior Certificate Examination.

Click on Menu 3.1.1

- Select the **learner** and click on **Edit Learner**, select the last page **NSC Exam Registration**.
