Preface

This booklet is a desk reference for managers to identify the core service areas of the Western Cape Education Department's district offices and to access the required services easily.

The booklet is a simple guide which identifies the main service areas of the Western Cape Education Department's district offices, with names and contact details, while giving details relating to the mechanisms for accessing these services.

This booklet is a living document, which means that the information it contains will be amended regularly and updated as circumstances dictate. For this reason, main service area managers are responsible for updating the details of their specific service areas.

This document will be made available on the Western Cape Government's website and the latest version of the booklet can be found there.
