The land of Magic

The day after they went to Story stars planet they decided to go to The land of Magic! When they were walking around The land of Magic They saw posters about a Magic festival They decided to go. The Magic festival is a competition for creatures who know how to use magic.

Felix and Felicity got a bit, ok a lot lost when they were trying to find the Magic festival! They saw a beautiful fairy and decided to ask her for directions. She had long, rainbow hair, the colours faded into each other. She had brown skin and brown eyes.

The fairy wore a lovely denim shorts, a floral shirt and purple shoes. "Hi, I'm Felix and this is Felicity. We are a bit lost, can you help us, please?" asked Felix.

The fairy replied "Sure, were do you want to go?" "To the Magic festival," said Felicity. "Oh, thats great, I'm also going there!" "By the way, my name is Maya," said Maya.

She showed them where to go! Follow me, hey I remember you from Story Stars planet!" said Maya.

"Wait, how do you know we went yesterday?" asked Felicity. "Word spreads fast. Oh we're here!" said Maya.

"It's everything I imagined, but better!" said Felix.

At the festival there was colour everywhere. There was a lot of glitter and banners too! Suddenly. They hear a loud evil sounding voice. "Mwah ha ha" said the voice "I will steal all the magic here!" said the voice again!"

"It's the evil wizard!" someone screamed! "What should we do?" asked Felicity nervously, then Maya said "I know what to do! Oh and I forgot to tell you I have elemental and nature powers!" she made a big pile of leaves inside a large cage made out of branches. It had a hole in the top.

The evil wizard was floating in the air, she blasted water at him and knocked him down. He landed in the big pile of leaves inside the cage. "Get me out of here!" the evil wizard screamed. "Only if you use your powers for good, besides doing good has a greater benefit than doing bad!" said Maya. "OK" the wizard agreed.

The other people shouted "Yay!" then May let him out. "That was awesome, but our parents are waiting for us to have lunch. "We will come to the Magic festival with you next year", said Felix. They said their goodbyes and off they went.
