

The Magical Beach

Felix and Felicity off to the beach. "Lets sail the dinghy"! said Felicity.

"Great idea!" It was so peaceful in the bobbing waves they fell fast asleep and lost the paddle.

Suddenly Felicity woke up. "Where are the paddles? She cried.

Just then two heads popped out of the water!.

"Hi, I am kabeljou Joe"

"And I'am Dolly Dophine"

"You can talk?" said Felicity.

"Yes we can, but shhhhh!"

"We need help!" cried Felix

Dolly and Joel tried to push but there noses kept on slipping.

I know lets call "Surfer Joel!" said Joe, Dolly whistled loudly, a small boy appeared. He tied his leash on the boat and paddled to shore. Thanks for saving us said Felicity.

"Stoked to help, have a lekker day!"
