

The Land of Poetry

Felix and Felicity landed in the Land of Poetry. They were amazed with everyone's poetry. Felix and Felicity wanted to meet the king of the Land of Poetry. Then Felix and Felicity asked the people. "Do you know where's the king of the land of poetry?" Then everyone went silent... Felix and Felicity were very confused.

Felix and Felicity asked "why are you guys so quiet !" The author Ashnicque, was a ghost, and she said, "look behind you." Felix and Felicity looked behind them and there stood the army of pages with the best Poetry. Felix and Felicity ran into a river and the army of pages stood there because they did not want to ruin their pages.

Felix and Felicity came very far and landed at the gates of the land of poetry's kingdom. There stood the King of the land of poetry. His name was Ashmedendess. Felix and Felicity were very scared of Ashmedendess he looked very scary. He was the strongest king in the land of poetry.

Felix and Felicity asked Ashmedendess "what can we do for you to leave us alone?" Ashmedendess said! "Make me a poem and i will leave you guys alone." Felix and Felicity called out to Ashnicque the Poet to save the day. They had no idea what to do. Ashnicque worked her magic and helped Felix and Felicity come up with a SUPER POEM!

Felix and Felicity rapped a poem and it went like this...

A smile is...

A smile is a happiness beam,

Letting happiness flow just like a stream

It touches the hearts of others in a way,

That can help brighten up others day.

Ashmedendess love! thier Poem and gave them a big round of a Poetry applause.

Felix and Felicity hade a blast of a time but had to go home.
