Contact person: Availability of tender documents: Dorothy Mokgoro, Tel: (011) 355-9412.

For technical specification: Musa Manganyi, Tel: (011) 891-0060.

Proposals are invited for the provision of a complete service to operate and manage a secure electronic audit system that will provide Gauteng with accurate information on number plate distribution, issuance and plate filed verification. This service, the Central verification Centre Service (CVC) includes the processes whereby high integrity electronic and physical marks are

applied to blank and embossed vehicle number plates. These marks are required to be verifiable in the field with suitable field devices in both conditions of access and no access to the CVC database by field operators. The Gauteng Intelligent Number Plate (iNP) Service includes *inter alia* the following components:

- A Web Based CVC system for the creation of the iNP;
- * An electronic mark generator that uses a data verifier with the functionality of communicating to the relevant databases, be it the GPG transport database, eNaTIS, etc.;
- A secure audit trail of all CVC actions and plate changes meaning that audit trails cannot be inserted, changed or deleted;
- A CVC system at embossers ensuring that the issuing of plates is recorded and the plate mark changed when the plates are embossed and issued; and
- A data intelligence system consisting of the plate status, audit, operator and billing and materials databases, amongst other, that interact with e.g. the GPG Control Centre, audit processes, etc.
- A service to ensure minimum number of field operation units.

Companies must be able to demonstrate a proven track record in the supply of CVC types of services under stringent performance conditions.

The successful bidder will be subjected to a security vetting process (NIA).

Terms and conditions of the request for proposals: Telegraphic, telephonic, telefax, facsimile and late proposals will not be accepted. Bid documents to be deposited at the tender box in the foyer of the Batho Pele Building, 91 Commissioner Street, Johannesburg.
