WESGRO
(THE WESTERN CAPE OFFICIAL TRADE AND INVESTMENT PROMOTION AGENCY)
REQUEST FOR PROPOSALS

**TECHNICAL ANALYSIS OF POTENTIAL INDUSTRIAL OPPORTUNITIES
IN THE PROPOSED SALDANHA BAY IDZ PROGRAMME**

TENDER REF. No. 459-2010 IQ

Wesgro is the Western Cape's official Investment and Trade Promotion Agency established under provincial law and governed by a Board of Directors. We are the first point of contact for foreign importers, local exporters and investors wishing to take advantage of the unlimited opportunities of the growing Cape.

Purpose of the project:

The mega scale of any IDZ Programme demands significant, sustainable and cost-effective bulk infrastructure and technology services. The purpose of this project is to establish the infrastructural and technology requirements and costs of the potential projects within the Saldanha Bay IDZ Programme. Furthermore, the project must also present a well-thought out discussion and proposal of potential funding mechanisms to finance the services/utilities identified, as well as the estimated unit costs of the services/utilities.

This Technical Analysis project forms part of the detailed Feasibility Study process, of which an International Scoping study has recently been advertised for appointment. The International Scoping study will investigate which projects are possible under those clusters identified from the Pre-feasibility Study. Other studies will be also be commissioned to provide a comprehensive assessment of the overall feasibility of the Saldanha Bay IDZ Programme. Therefore tenderers will be expected to liaise with these and other service providers in carrying out the activities required and finalising the project.

Four (4) sectors of bulk infrastructure and technology services have been identified and these are Water, which contains Water, Sewer, Stormwater and Solid Waste Services, Electricity, Information and Communication Technology (ICT), and Transport. The capacity and development potential and demands of these sectors must be assessed at a scale appropriate to the industrial project/cluster, e.g. a national level for the bulk supply of Electricity.

Tenderers are welcome to bid as a consortium, partnership, or an individual company as their experience allows, but all bids must address all four (4) sectors. Should bidders decide to bid as a consortium, partnership, or as an individual company, this fact must be fully disclosed in all of the bid documents and clearly presented.

The following three industrial clusters were determined from the Pre-feasibility Study and are the subject of detailed comparative studies:

- A Renewable Energy Production and Manufacturing Cluster
- A Land-based Dry Dock, Floating Dry Dock and Oil supply Base/Hub for the Oil and Gas Cluster and a Maritime Ship building and Repair Cluster
- A Steel and Minerals Production and Manufacturing Cluster

A compulsory briefing session will take place on 12 August 2010 at 10:00 at the Wesgro Office.

Tender documents are available from Wesgro's website (www.wesgro.co.za) or alternatively via email from Jacyntha Maclennan at jacyntha@wesgro.co.za

Four copies of each proposal must reach this office not later than 11:00 on the closing date of the tender.

Tender documents must be submitted in a sealed envelope with the name and address of the tenderer, the tender number and the closing date indicated on the envelope. Kindly note that tenders may only be posted to Wesgro, PO Box 1678, Cape Town, 8000, or deposited in the tender box, situated on the 12th Floor, Waldorf Arcade, 80 St George's Mall, Cape Town.

NB: All tender prices to be inclusive of VAT.

For more information contact Jacyntha Maclennan at jacyntha@wesgro.co.za or (021) 487-8659.

Closing date: 27 August 2010.
