ANNUAL FINANCIAL STATEMENTS 2010/11: GUIDANCE ON THE ACCOUNTING AND DISCLOSURE OF GOVERNMENT GARAGE VEHICLE TRANSACTIONS

PURPOSE

1. To provide clarity on the accounting and disclosure requirements of GG vehicle transactions by departments and entities.

BACKGROUND

2. Arising from a note of the AGSA in the 2009/10 management reports regarding the disclosure requirements for GG vehicle transactions, clarity was sought from the National Treasury in this regard. In view of the complexity surrounding the interpretation of GG vehicle transactions in terms of the applicable accounting frameworks coupled with the different approaches followed by other provinces, the Office of the Accountant-General in the National Treasury could not issue a general directive in this regard and requested the Provincial Treasuries to provide the necessary guidance.

ACCOUNTING TREATMENT – GG VEHICLE TRANSACTIONS

3. For the 2010/11 financial year the status quo regarding the accounting treatment of GG vehicle transactions should be maintained as was applied for the 2009/10 financial year. Expenditure incurred by departments and entities based on daily and kilometer tariffs must be accounted for under goods and services in terms of the accounting policy and disclosed in the annual financial statements as such.
4. Similarly, GMT will have to continue to disclose the revenue received from daily and kilometre tariffs in line with previous years.
5. Further clarity will be provided for the 2011/12 financial year.

PROVINCIAL ACCOUNTANT-GENERAL

DATE: 5 May 2011.
