PROGRAMME AND GUIDELINES FOR THE 2022/23 ANNUAL REPORT PROCESS

PURPOSE

1. To provide Accounting Officers, Accounting Authorities and Chief Financial Officers with a Programme and Guide in respect of the 2022/23 Annual Report process, inclusive of the Annual Financial Statements (AFS). This circular relates to all Treasury and other circulars issued which affects the process for the preparation of the 2022/23 Annual Report and communicates the key responsibilities in respect of the completion and submission of the 2022/23 Annual Report.

2. The 2022/23 Annual Financial Statements (AFS) and Annual Report Programme for Departments and Public Entities are attached to the circular (Appendix A). Templates and formats for use in the preparation of the Annual Report are included as part of the Annual Report Guide for Departments and Public Entities, which is also attached to the circular. (Appendix B1, B2 and Annexures A to D).

DISCUSSION

3. The National Treasury (NT) Annual Report Guide provides guidance on the non-financial information requirements of the annual report, i.e. all sections of the annual report except the Annual Financial Statements. The AFS section is contained in the Modified Cash Standard (MCS), Accounting Manual for Departments and the AFS Specimen. Adherence to the principles of the MCS, AFS specimen and format of these Guidelines aim to enhance departments' coverage of all aspects of their activities and aim to promote the ease of reference and comparison for users of the annual report.
4. Please note that National Treasury has updated the Annual Report Guide for departments and entities and has published it on the OAG website.

7. The Departmental and Public Entity Guides for the Preparation of the Annual Report for the year ended 31 March 2023, attached to this circular, provides the minimum requirements for information that must be included in the Annual Report. The Annual Report consists of the following five parts:
 - Part A: General Information
 - Part B: Performance Information
 - Part C: Governance
 - Part D: Human Resource Management
 - Part E: PFMA Compliance Report
 - Part F: Financial Information

Points to note:

8. **Part A: General Information**, Accounting Officers (AO) should note the requirements regarding entities (public/trading entities, business enterprises and other entities) that fall within the responsibilities of the relevant Department/Ministry.
9. The Provincial Treasury: Provincial Government Budget Office will provide guidance to departments and entities on **Part A: General Information**. **Part A** queries may be directed to Ms. Taryn van de Rheede and Mr. Jonathan Hendricks. The Report of the Accounting Officer/Chief Executive Officer should be covered from an operational/strategic perspective as well as a financial perspective. Specific guidance in terms of narrative and table formats is provided in the Guides.
10. The Department of the Premier, Provincial Data Office (PDO), provides guidance and advice on **non-financial performance information as captured and signed off in the electronic Quarterly Performance System (eQPRS)**. **This quality performance data must be reflected in Part B** of the Annual Report. The PDO will facilitate performance dialogues with departments and public entities to guide the process on the internal assessment required to improve the quality and use of the relevant performance data for the purpose of the Annual Report 2022/23. Mr. Jacques Barnard and Ms. Ilse Pretorius will lead this process and communicate timeously.
11. The Western Cape Government (WCG) departments will not be reporting on the SDIP 2022/23 **Part B Reporting** in the Annual Report this year due to a DPSA directive and Circular (see attached Service Delivery Improvement Plans DPSA Circular No. 14 of 2022). In this circular, the DPSA informed all national and provincial departments to populate and submit approved 2023 - 2025 SDIPs to DPSA by 31 March 2023, as stakeholder consultations, and the related toolkit have been finalised. The circular also provides guidance on the development of the 2023 - 25 SDIP and its Building Blocks.
12. SDIP 2023/24 Part B Reporting by WCG departments would be required during the 2024/25 financial year, as approved 2023 - 2025 SDIPs would be in place and institutionalized. The contact persons are Mr. Neil De Kock, Mr. Brian Opperman or Ms. Porcha Engelbrecht.
13. The **Auditor-General's (AGSA) Report on Predetermined Objectives** falls within **Part B: Performance Information** of the Annual Report. To ensure compliance regarding the disclosure of information, reference must be made to the paragraph in the AGSA's Report, entitled 'Reporting on other legal and regulatory requirements' as reported within **Part E** (Annual Financial Statements) of the Annual Report.
14. **Linking performance with budgets:** Departments must provide a summary of the actual expenditure in comparison to the adjusted appropriation for both the current and previous year. The information must be provided at a sub-programme level and must agree to the appropriation statement of the audited financial statements. Reasons for variances should be linked to the information in the organisational environment and the service delivery environment. The department must also report on how expenditure contributed to the achievement of outputs.
15. The finance section needs to note the summary of departmental receipts, payments and all transfers including transfer made to entities. More specifically, information regarding Conditional Grants and Donor Funding should be presented in a tabular format. This information needs to agree with the financial information provided in the Annual Financial Statements.

16. The Provincial Treasury have made provision to conduct a cursory review of Part A: General Information of the draft Annual Reports before submission on **31 May 2023** to the Auditor-General. This step is intended to assist in improving the accuracy and consistency of information in the Annual Report. Departments and entities are therefore requested to submit Part A of the draft Annual Report by **23 May 2023** to Ms. Taryn van de Rhee and Mr. Jonathan Hendricks at e-mail: BudgetOffice.ProvincialTreasury@westerncape.gov.za.
17. All departments and public entities must ensure that the validated non-financial performance data for 2022/23 is recorded correctly in Part B of the draft Annual Report, as formally signed off on the eQPRS prior to submission on **31 May 2023** to the Auditor-General. For further enquiries please contact: Mr. Jacques Barnard or Ms. Ilse Pretorius: BizPerformance@westerncape.gov.za
18. The pre-audited quarterly performance reporting data for 2022/23 must be captured on the eQPRS by **10 May 2023**.
19. To ensure the consistency of the information contained in the eQPRS with the information in Part B: Performance data, departments and public entities are requested to factor in the commentary provided by the Department of the Premier and make the required amendments on the eQPRS in the period **19 - 31 May 2023**.
20. The actual 2022/23 pre-audited Earmarked Reports, which includes the signed-off explanatory narrative reports and the Excel reporting models, must be submitted to BudgetOffice.ProvincialTreasury@westerncape.gov.za together with the submission of the draft Annual Report by 31 May 2023.
21. **Part C: Governance** deals with several governance issues including, amongst others, risk management, fraud and corruption, portfolio committees, audit committees, audit committee reports and the B-BBEE Compliance Performance Information. Various tables are provided to assist departments in completing this part of the annual report. Due to the nature of governance and the required information in this section, some information must be provided by the departments themselves whilst the Branch Corporate Assurance in the Department of the Premier will provide the rest to Accounting Officers.
22. The **Branch Corporate Assurance** will provide information to enable departments to complete Sections 2, 3, 11 and 12 of Part C. These inputs will be provided to Accounting Officers by **5 May 2023**.
23. Although Section 12 of **Part C (Audit Committee Report)** is coordinated by the Branch: Corporate Assurance, the actual reports are done by the various Audit Committees. A Draft Report is normally only prepared once the committee has reviewed the unaudited financial statements. The Branch: Corporate Assurance will ensure that a provisional draft is prepared for inclusion in the draft Annual Reports.
24. **Part D: Human Resource Management** is coordinated by Directorate: Policy and Planning (within the Department of the Premier). It should be noted that although the Directorate: Policy and Planning compiles Part D, departments will also be required to take responsibility for the accuracy of the information.
25. The Directorate: Policy and Planning within the Department of the Premier will coordinate this section, in conjunction with input from various role-players within the Branch: People Management and a representative of provincial departments. The first draft of Part D will be submitted to provincial departments between **13 May 2023 to 15 May 2023**. The templates to be used for 2022/23 are similar to the templates of the prior year. Specific queries regarding the completion of the templates should be directed to Ms. Liezel Barron or Mr Warren Wilson.

26. **Part E: PFMA Compliance Report** provides guidance on the information to be included in the annual report relating to PFMA compliance requirements. The purpose of Part E is to regulate compliance reporting of the Irregular, Fruitless and Wasteful, Unauthorised Expenditure, Supply Chain and late payments of suppliers. The specific format for disclosure is made available on the guide.
27. For Departments, the Principles and Guidance relating to the completion of **Part F: Financial Information** on the AFS is contained in the Modified Cash Standard, Accounting Manual for Departments and the AFS Specimen. The specific documents can be accessed on the National Treasury (Office of the Accountant-General) website:
Office of the Accountant-General > Publications > 01. Annual Financial Statements > 03. For Prov. And Nat. Departments > GRAP
28. Public Entities must comply with the GRAP Reporting Framework for 2022/23 as contained in Directive 5 issued by the Accounting Standards Board.
29. To improve the accuracy and quality of information in the 2022/23 AFS, the Provincial Treasury (Directorate: Provincial Government Accounting) issued the draft financial year-end guidance for Departments and Public Entities. Departments and Public Entities are requested to submit their draft AFS on or before **Wednesday, 17 May 2023 and Thursday, 18 May 2023 respectively**, for Provincial Treasury to review the AFS before final submission by the department/entity to the Auditor General on **31 May 2023**.
30. Other circulars relevant to the Annual Report process include:
- Provincial Treasury Circular No. 24 of 2022 dated 18 July 2022 (Audit Information Files: 2022/23 Annual Financial Statements).
 - The draft circulars and the guidelines on the 2022/23 Book Closure and Annual Financial Statements for departments and public entities.

Submission of the draft Annual Report

31. In accordance with the National Treasury *Guide for the Annual Report Guide*, departments and public entities must submit the draft Annual Report, including the information on predetermined objectives, to the Auditor-General by **31 May 2023**. The submission will enable the auditors to review the contents of the draft Annual Report to ensure that its content is consistent with the Annual Financial Statements (AFS).
32. As per the National Treasury Annual Report Guide, a confirmation letter (Annexure A of the *Guide*) must be completed by the Accounting Officer to accept responsibility for the accuracy and fair representation of the Annual Report including the performance information, human resource information and the annual financial statements. This letter also confirms that the Annual Report has been prepared in accordance with specified guidelines, frameworks and standards prescribed by the National Treasury.
