## Directive 5

### DIRECTIVE ON DETERMINING THE GRAP REPORTING FRAMEWORK

This Directive was originally issued by the Accounting Standards Board (the Board) in March 2009. Since then, it has been amended by:

- Directive 7 *The Application of Deemed Cost on the Adoption of Standards of GRAP* which was issued by the Board in December 2009. Directive 7 has been added to the appendix outlining the GRAP Reporting Framework for periods commencing on or after 1 April 2009.
- An appendix prescribing the GRAP Reporting Framework for financial periods commencing on or after 1 April 2010, approved by the Board on 23 February 2010, has been added.
- Paragraph .06 has been added to the main body of the Directive explaining the approval process for the application of the GRAP Reporting Framework by Parliament. Appendix D has been added, which prescribes the standards and pronouncements applicable to Parliament for financial periods commencing on or after 1 April 2010. With the addition of Appendix D, the application of the Appendices A to C has been clarified by indicating the types of entities that are required to apply them.
- Paragraph .06 and Appendix D were amended to include provincial legislatures.
- Paragraph .01 of Appendix A was amended in April 2011 to reflect the Notices issued by the Minister of Finance in the Government Gazette indicating approval of the adoption of Standards of GRAP by Parliament and the provincial legislatures.
- Appendices prescribing the GRAP Reporting Framework for financial periods commencing on or after 1 April 2011, approved by the Board on 25 February 2011, have been added.
- Appendices prescribing the GRAP Reporting Framework for financial periods commencing on or after 1 April 2012, approved by the Board on 27 March 2012, have been added. In addition, Appendices A to D have been deleted as these relate to earlier reporting periods.
- An appendix prescribing the GRAP Reporting Framework for financial periods commencing on or after 1 April 2013, approved by the Board on 21 February 2013, has been added. In addition, Appendices E and F have been deleted as these relate to earlier reporting periods. An additional appendix has been added and outlines "Statements of GAAP" for application by Government Business Enterprises. References to the Accounting Practices Board have been deleted from the main text and have been replaced with references to the Financial Reporting Standards Council (FRSC). These amendments arise from the promulgation of the new Companies Act in 2009 which establishes the FRSC.
- Paragraphs .06 and .29 and relevant appendices were amended because of Directive 10 *The Application of Standards of GRAP by Technical and Vocational Education and Training Colleges*.
- An appendix prescribing the GRAP Reporting Framework for financial periods commencing on or after 1 April 2014, approved by the Board on 28 March 2014, has been

added. In addition, Appendix G has been deleted as this relates to earlier reporting periods. The remaining Appendices have been renumbered.

- An appendix prescribing the GRAP Reporting Framework for financial periods commencing on or after 1 April 2015, approved by the Board on 27 March 2015, has been added. Appendix A has been deleted as this relates to earlier reporting periods, and the remaining Appendices have been renumbered.
- An appendix prescribing the GRAP Reporting Framework for financial periods commencing on or after 1 April 2016, approved by the Board on 3 December 2015, has been added, and the remaining appendix on “GAAP Reporting Framework” has been renumbered. Appendix A outlining the reporting framework for 2014/15 has not been deleted. This is because the reporting period for public TVET colleges is 1 January to 31 December, and they require this appendix in preparing their financial statements for the period 1 January 2015 to 31 December 2015.
- Consequential amendments resulting from the issue of Directive 12 *The Selection of an Appropriate Reporting Framework by Public Entities*.
- An appendix prescribing the GRAP Reporting Framework for financial periods commencing on or after 1 April 2017, approved by the Board on 29 September 2016, has been added. Appendix A outlining the reporting framework for 2014/15 has been deleted. The new and remaining appendices have been renumbered accordingly.

  - Appendix A outlining the reporting framework for 2015/16 was deleted, and the new and remaining appendices have been renumbered accordingly.

## Directive 5

### Introduction

This pronouncement is set out in paragraphs .01 to .22. All paragraphs in this pronouncement have equal authority. The status and authority of appendices are dealt with in the preamble to each appendix. This pronouncement should be read in the context of its objective, its basis for conclusions and/or the basis for conclusions of its international equivalent, if applicable, the *Preface to the Standards of GRAP* and the *Framework for the Preparation and Presentation of Financial Statements*<sup>1</sup>.

Standards of GRAP and Interpretations of the Standards of GRAP should also be read in conjunction with any directives issued by the Board prescribing transitional provisions, as well as any regulations issued by the Minister of Finance regarding the effective dates of the Standards, published in the Government Gazette.

Directives should be read in conjunction with the applicable Standards of GRAP and Interpretations of the Standards of GRAP.

---

<sup>1</sup> In June 2017, the Board replaced the *Framework for the Preparation and Presentation of Financial Statements* with the *Conceptual Framework for General Purpose Financial Reporting*.

## Objective

- .01 The reporting framework comprises the Standards of GRAP, Interpretations of the Standards of GRAP, guidelines and directives issued by the Board and standards and pronouncements of other standard setters that should be applied when entities prepare and present their financial statements in accordance with Standards of GRAP, referred to as the GRAP Reporting Framework elsewhere in this Directive.
- .02 The objective of this Directive is to set out the principles in determining the GRAP Reporting Framework. The aim is to ensure consistent application of the GRAP Reporting Framework by entities that apply Standards of GRAP.

## Scope

- .03 This Directive applies to all entities that apply Standards of GRAP.

## Effective date

- .04 The Minister of Finance determines the effective dates for Standards of GRAP. This Directive shall be applied for financial periods commencing on or after 1 April 2008 taking into account the applicable effective dates of the Standards published in the relevant Government Gazette.

## GRAP Reporting Framework

- .05 The appendices list the standards and pronouncements that form the GRAP Reporting Framework. The appendices will be updated on an annual basis to recognise new Standards of GRAP that have become effective, and standards and pronouncements issued by other standard setters.
- .06 The appendices prescribing the GRAP Reporting Framework for:
  - public entities, including those entities that do not meet the criteria to apply IFRS<sup>®</sup> Accounting Standards as outlined in the Directive on *The Selection of an Appropriate Reporting Framework by Public Entities* (Directive 12);
  - constitutional institutions;
  - municipalities, municipal entities; and
  - trading entities as outlined in the Directive on *The Application of Standards of GRAP by Trading Entities*;

are amended or issued after following the Board's normal due process.

The Reporting Frameworks for Parliament, the Legislatures and public Technical and Vocational Education and Training (TVET) colleges as outlined in the Directive on *Application of Standards of GRAP by Public Technical and Vocational Education and*

## Directive 5

*Training Colleges* are amended after following the Board's normal due process and, after obtaining the necessary approval from:

- (a) the Secretary to Parliament and, if relevant, the Speaker of each Legislature in the case of Parliament and the Legislatures; or
- (b) the Minister of Higher Education and Training in the case of the public TVET colleges.

## Hierarchy

- .07 The GRAP Reporting Framework is based on the hierarchy outlined in paragraph .11 of the Standard of GRAP on *Accounting Policies, Changes in Accounting Estimates and Errors* (GRAP 3).
- .08 Paragraph .11 states that, in the absence of a Standard of GRAP dealing with a particular transaction or event, the accrual based pronouncements of the following standard setters should be used, in descending order, to develop an appropriate accounting policy. Note, however, that this should only be done to the extent that the requirements are not in conflict with the Standards of GRAP or the *Framework for the Preparation and Presentation of Financial Statements*<sup>2</sup>:
  - (a) International Public Sector Accounting Standards Board (IPSASB), including the *Conceptual Framework for General Purpose Financial Reporting by Public Sector Entities*.
  - (b) International Accounting Standards Board (IASB), including the *Conceptual Framework for Financial Reporting*.
  - (c) Financial Reporting Standards Council (FRSC).

## Pronouncements by the Board

### Standards of GRAP and Interpretations of the Standards of GRAP

- .09 Standards of GRAP for which the Minister of Finance has determined an effective date form part of the GRAP Reporting Framework.
- .10 Interpretations of the Standards of GRAP form part of the GRAP Reporting Framework based on the effective date specified in the Interpretation. An Interpretation of the Standards of GRAP is only applied if the applicable Standard of GRAP to which it relates has been adopted.
- .11 When an effective date has been determined, entities are permitted to adopt the Standards of GRAP and/or any related Interpretations of the Standards of GRAP earlier than the date specified.

---

<sup>2</sup> In June 2017, the Board replaced the *Framework for the Preparation and Presentation of Financial Statements* with the *Conceptual Framework for General Purpose Financial Reporting*.

## Directive 5

Interpretations of the Standards of GRAP related to Standards that are not yet effective may also be applied in developing accounting policies.
- .13 Where a Standard of GRAP that forms part of the GRAP Reporting Framework is based on a standard or pronouncement of another standard setter and that standard setter subsequently amends its standards or pronouncements, such amendments shall not form part of the GRAP Reporting Framework.

## Directives

- .14 Directives form part of the GRAP Reporting Framework.

## Guidelines

- .15 Guidelines form part of the GRAP Reporting Framework.

## Application of other pronouncements

### Pronouncements of the IPSASB and IASB

- .16 When there is no equivalent Standard of GRAP, an International Public Sector Accounting Standard (IPSAS) or IFRS Accounting Standard should be used in formulating an accounting policy, unless:
  - (a) that IPSAS or IFRS Accounting Standard conflicts with the current *ASB Framework for the Preparation and Presentation of Financial Statements<sup>2</sup>* or existing Standards of GRAP; or
  - (b) it is not applicable to entities that currently apply the Standards of GRAP.
- .17 An IPSAS or IFRS Accounting Standard, or parts thereof, are in conflict with the *ASB Framework for the Preparation and Presentation of Financial Statements<sup>2</sup>* or Standards of GRAP when they deal with an issue differently to the *ASB Framework for the Preparation and Presentation of Financial Statements<sup>2</sup>* or a Standard of GRAP.
- .18 An IFRS Accounting Standard is not applicable to an entity where its scope limits the application to specific circumstances.
- .19 An entity assesses whether an industry specific standard or other standard or pronouncement is applicable based on the transactions and events of the entity.
- .20 Where a Standard of GRAP that has been issued by the Board, but for which an effective date has not yet been determined by the Minister of Finance, is based on an IPSAS or IFRS Accounting Standard, that IPSAS or IFRS Accounting Standard does not form part of the GRAP Reporting Framework.

#### **Directive 5**

- .21 Where an IPSAS that forms part of the GRAP Reporting Framework is based on a standard or pronouncement of another standard setter and that standard setter subsequently amends its standards or pronouncements, such amendments shall not form part of the GRAP Reporting Framework.

#### **Application of IFRS Accounting Standards**

- .22 The Board has approved the application of IFRS Accounting Standards issued by the IASB for:
- (a) public entities that meet the criteria outlined in Directive 12; and

## **Basis for conclusions**

*This basis for conclusions gives the Accounting Standards Board's (the Board's) reasons for accepting or rejecting certain proposals related to the specific pronouncements included in, or excluded from, the GRAP Reporting Framework. This basis for conclusions accompanies, but is not part of, this Directive.*

BC1. The effective dates for new or amended pronouncements issued by the ASB are either approved by the Minister of Finance (new Standards of GRAP and their amendments) or the Board. As a result, changes to the Reporting Framework are based on the effective dates approved by the Minister or the Board. For financial periods commencing on or after 1 April 2023, the following pronouncements will be effective:

- Revised GRAP 25 on *Employee Benefits* and related IGRAP 7 on *The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction*.
- Amendments to GRAP 1 on *Presentation of Financial Statements* as a result of changes agreed as part of developing the Guideline on *The Application of Materiality to Financial Statements*.
- *Improvements to the Standards of GRAP, 2020*.
- *Guideline on Accounting for Landfill Sites*.

BC2. The revised Standard of GRAP on *Financial Instruments* (2019) is excluded from the Reporting Framework as it is only effective from 1 April 2025. Entities are permitted to early adopt the Standard. The Standard must, however, be adopted in its entirety. The amendments to the Standard of GRAP on *Heritage Assets* are also excluded as no effective date has been determined by the Minister.

BC3. The Board reviewed the status of international pronouncements issued by the IPSASB and IASB and assessed whether changes should be made to the Reporting Framework. The Board agreed that the following pronouncements issued by the IPSASB and IASB should continue to be excluded from the GRAP Reporting Framework and not applied by entities:

- IPSAS 39 on *Employee Benefits* – The revised GRAP 25 on *Employee Benefits* will be applied for the first time from 1 April 2023.
- IPSAS 40 on *Public Sector Combinations* – A project to compare the requirements of IPSAS 40 and the equivalent Standards of GRAP is in progress. Changes will be proposed to the existing Standards of GRAP rather than adopting IPSAS 40.
- IPSAS 41 on *Financial Instruments* – GRAP 104 revised in 2019 will be effective for entities from 1 April 2025.
- IPSAS 42 on *Social Benefits* – The Board is developing an equivalent Standard of GRAP. Board decisions to date indicate that significant departure from IPSAS 42 is likely as its principles do not result in relevant information for users locally about social benefit schemes in South Africa.

## Directive 5

- IFRS 13 on *Fair Value Measurement* – The definition of fair value in Standards of GRAP has not been revised to align with IFRS Accounting Standards. The IPSASB is developing an IPSAS on *Measurement* which will be considered locally once issued.
- IFRS 14 on *Regulatory Deferral Accounts* – This IFRS Accounting Standard is only applied on the first-time adoption of IFRS Accounting Standards as a reporting framework.
- IFRS 15 on *Revenue from Contracts with Customers* – The IPSASB is developing an equivalent IPSAS(s) which will be considered by the Board once issued.
- IFRS 16 on *Leases* – The IPSASB issued IPSAS 43 on *Leases* which is based on IFRS 16. The IPSASB is in the process of assessing what guidance is needed for public sector specific lease transactions. Once this is completed, the Board will consider the impact of this Standard(s) locally.
- IFRS 17 on *Insurance Contracts* – The Board is assessing the extent to which entities should consider IFRS 17 for insurance, or insurance-like activities. IFRS 17 is only effective in the private sector in 2023.
