

## WCTB/MTN MURAL COMPETITION 2002

### INTRODUCTION

This competition is targeted at Grades 1,2,3,4 & 5. The objective is to allow our young learners to express their ideas about tourism and the environment within their region. This must be shown in the form of a mural or any semi-permanent material such as canvas. Size and location of the mural is not limited but the closer the mural to a tourist area the better.

### HOW IT WILL WORK

All you need to do is decide what you would like your learners to draw around the theme Eco-tourism. Then identify artistic learners in your school who can work on the project. It is important that your artwork must be representative of the learner's environment and culture.

Some murals may not be practical enough for learners to work on because of age, location of the mural, transport costs etc. You are therefore allowed to utilize skills of your local artist. However, the original artwork must be drawn by the learners and it is the duty of the co-ordinator to ensure the safety of the originals. This means that when judges view your work they will require learner's originals. You are then given four months to put up your mural (April- July).

## **COMPETITION RULES**

- Only learners up to Grade five are allowed to participate
- Schools/Co-ordinators are allowed to seek assistance from local artists but the ORIGINAL product must be done by learners
- The mural can be any size and the bigger the better
- Each mural must be accompanied by a 5-6 letter sentence written in any language. The sentence/message must be on the mural and must reflect the artwork
- All murals must have an MTN logo used on shops, cell phones, clothing and so on. This will also count in your favour so think it through and use the MTN logo tactfully

## **REMEMBER!!!!**

**THIS COMPETITION IS OPEN TO 100 SCHOOLS DIVIDED IN THREE REGIONS OF THE WESTERN CAPE**

### **REGIONS**

- A. CAPE TOWN, OVERBERG, WINELANDS**
- B. WEST COAST**
