VOORBLAD: 'n Prentjie spreek 'n duisend woorde en net 'n paar karakters maak 'n prentjie... Die talentvolle Craig Cockcroft van die Jack Russell Design Company is geïnspireer deur die baie letters van die alfabet wat bibliofiele baie plesier, inligting, troos, kennis en nog veel meer bied om verskeie ontwerpe te skep om die oog uit te daag. Hier word die besige somerseelewe uitgebeeld.
