

# FOOTBALL FOCUS ON THE BALL...!

OLIVIA FORSHAW

Graphic Designer

As the main theme of Library Week for 2010 is soccer, it is appropriate that we feature one of our displays designed for the Library Week launch that was held on 12 March at the Western Cape Sports School in Kuilsrivier:

Generous use was made of the handouts such as the posters, bags, colouring-in sheets and book marks. Old posters featuring Bhuki were cut out (if you have any in stock, they can be photocopied in colour). Templates for the letters and the soccer ball are provided which can be enlarged and cut out.

Put this all together, quite simple really, and voila! a colourful display that brightens up your library for the 2010 FIFA Soccer World Cup.

Remember, kick off is on 11 June!

This is just one example of a display. Variations can include an information sheet with dates of matches, information on the various stadiums, a display of relevant library material, et cetera.

# MY LIBRARY

by Vardā One

It's only a room with shelves and books,  
but it's far more magical than it looks

It's a jet on which I soar  
to lands that exist no more.

Or a key with which I find  
answers to questions crowding my mind.  
Building my habit of learning and growing,  
asking and researching till I reach knowing.

Here, I've been a mermaid and an elf  
I've even learned to be more myself.

I think that I shall never see  
a place that's been more useful to me.

With encouraging kind friends with wit  
Who tell me to dream big and never quit.

It's only a room with shelves  
and books,  
but it's far more magical  
than it looks.
