MEMORANDUM ON THE OBJECTS OF THE DRAFT WESTERN CAPE PROCUREMENT (BUSINESS INTERESTS OF EMPLOYEES) BILL

1. BACKGROUND

Section 217(1) of the Constitution of the Republic of South Africa, 1996 and section 62(1) of the Constitution of the Western Cape, 1997, require the Provincial Government, when it contracts for goods or services, to do so in accordance with a system which is fair, equitable, transparent, competitive and cost-effective.

During August 2008 the Auditor-General issued a performance audit of entities that are connected with government employees and who are doing business with government departments. In July 2009 the National Standing Committee on Public Accounts (SCOPA) had a special sitting where all the provincial Directors-General were instructed to provide feedback on what action was taken against employees identified in the AG's audit. Currently there is no prohibition or restriction on employees of the Provincial Government from having business interests in entities that conduct business with the Provincial Government. Only senior managers employed by government have a duty to disclose any such business interests. No similar duty is placed on other employees employed by government or by a provincial public entity.

The Provincial Government of the Western Cape supports the view that, in order to impose and regulate a procurement system as required by the Constitution and the Provincial Constitution as stated above, it is necessary to restrict the business interests that employees of the Provincial Government and of provincial public entities as well as members of the controlling bodies of such entities are allowed to have in entities doing business with the Provincial Government and provincial public entities, and for that purpose also to require the disclosure of such interests.

2. PURPOSE OF BILL

The purpose of the Bill is to restrict the business interests of employees of the Provincial Government and provincial public entities, and members of the controlling bodies (hereinafter referred to as 'members') of such entities are allowed to have in entities doing business with the Provincial Government and provincial public entities, and for that purpose also to require the disclosure of such interests in entities conducting business with the Provincial Government and provincial public entities.

Artikel 217(1) van die Grondwet van die Republiek van Suid-Afrika, 1996, en artikel 62(1) van die Grondwet van die Wes-Kaap, 1997, vereis van die Provinsiale Regering, wanneer hy vir goedere of dienste kontraktee, om dit te doen ooreenkomstig 'n stelsel wat regverdig, billik, deursigtig, mededingend en kostedoeltreffend is.

Gedurende Augustus 2008 het die Ouditeur-generaal 'n prestasie-oudit gedoen van instellings wat bande met regeringswerknemers het en wat met staatsdepartemente sake doen. In Julie 2009 het die nasionale Staande Komitee oor Openbare Rekening (SKOOR) 'n spesiale sitting gehou waar al die provinsiale direkteurs-generaal opdrag gegee is om terugvoering te gee oor die stappe wat gedoen is teen werknemers wat in die OG se oudit geïdentifiseer is. Tans bestaan daar geen verbod of beperking op werknemers van die Provinsiale Regering om sakebelange te hê in instellings wat met die Provinsiale Regering sake doen nie.
