

Outstanding Government Debt owed to municipalities

5 December 2011

Introductory Remarks

"Municipalities' failure to collect money owed to them and to spend their budget means that service delivery is severely compromised. So although municipalities have money to deliver services they do not spend it nor do they ensure that they recover what is owed to them."

Nachi Majoe (The Municipal Outreach Project)

City Debt Management : Progress

- On-going facilitation of data clean-up of municipal accounts i.r.o properties devolved from National Government to Provincial Departments
 - R84 million concluded
 - R25.92 million work in progress
- Compilation of record / database of municipal accounts WCED and Health
 - Reconciliation s on going
- Splitting of municipal accounts eg. UCT/Grootte Schuur Account
- Installation of water management devices at 30 Schools

NON – METRO MUNICIPALITIES (District Debt)

District Debt : Progress

- One-one-One debt engagements have taken place with 21 municipalities across the districts since the inception of the project
- Notable improvement in submission of the debt template by municipalities on the due date
 - Inclusion of accounts which were not previously reported (July 2011 and prior) whereby the total accounts submitted to PT was understated
- Progress in terms of ownership by departments to acknowledge debt/liability and payment of the respective arrear accounts has improved
- Ongoing facilitation of the debt process in the bi-weekly task team meetings where progress and operational matters are discussed, investigated and resolved
- Compilation of a payment schedule to monitor the payments made by the respective departments

District Debt: Comparative Balances as at 31 October 2011
