Dear Premier Zille

CONGRATULATIONS MOTION OF THE NATIONAL ASSEMBLY

On 26 February 2019, the National Assembly agreed to a motion noting that the Western Cape unemployment rate dropped to 19.3%, the lowest in South Africa, with its expanded unemployment rate 14 percentage points lower than the national average.

The Assembly acknowledged that since 2009, the Western Cape completed over 200 000 housing opportunities, and is on track to meet 100% of its targets by the end of the current term.

The Assembly commended the fact that since 2009 more than 100 000 people have received title deeds across the province, having exceeded their targets by at least 2000 every year and making great strides in helping people becoming home owners.

The Assembly recognised that 91.5% of Western Cape households now live within 30 minutes of a healthcare facility.

The Assembly congratulates the Western Cape provincial government in achieving these massive feats.

A copy of the Minutes of Proceedings of the National Assembly dated 26 February 2019, containing the full text of the motion, is attached.

Yours sincerely

B MBETE MP
SPEAKER OF THE NATIONAL ASSEMBLY
