

# Apprenticeships Game Changer in the Western Cape

Our Skills Game Changer aims to ensure that young people have the necessary skills for jobs in the Western Cape.

Focus is on skills for the Tourism, Agri-Processing, Green Economy, Oil & Gas and ICT sectors.

## Our target

**32 500**

qualified apprentices into the labour market by 2019 to meet the needs of a growing province

**3009**

young people completed their work-based programmes between April to September 2016

## Our priorities this year

### Dual apprenticeship model

We are working with SETA's on a model for learners to gain both theoretical and workplace training at the same time

### Maths tutoring

intensified for the province's 23 Technical High Schools and 50 other schools

### Engaging employers

about taking on learners for workplace based learning programmes
