

Key points addressed

A province in which our **hard work** and dedication **brings us** success.

A province in which our **children grow** up healthy and **are prepared for** tomorrow's economy.

A province in which your **life has value** no matter **where you** live or work.

A province in which we **live free** from fear.

A province in which we **embrace** new ideas, and **always do** the right thing.
