

# GOVERNMENT'S PLAN FOR THE NEXT 5 YEARS

What do we want to achieve?

A SAFE WESTERN CAPE WHERE EVERYONE PROSPERS

We will focus on 5 priorities to create a safe and prosperous Province in the next 5 years

SAFE AND COHESIVE COMMUNITIES

GROWTH AND JOBS

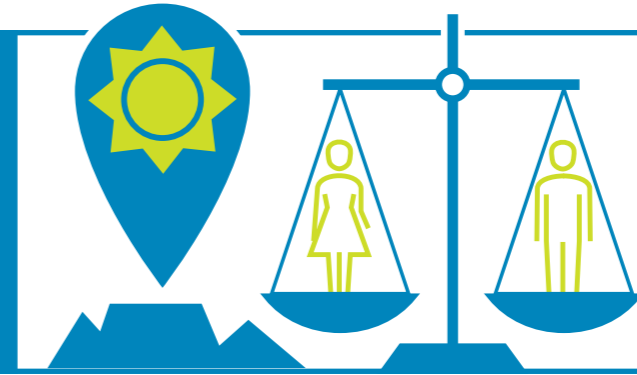

EMPOWERING PEOPLE

MOBILITY AND SPATIAL TRANSFORMATION

INNOVATION AND CULTURE

## 1 SAFE AND COHESIVE COMMUNITIES

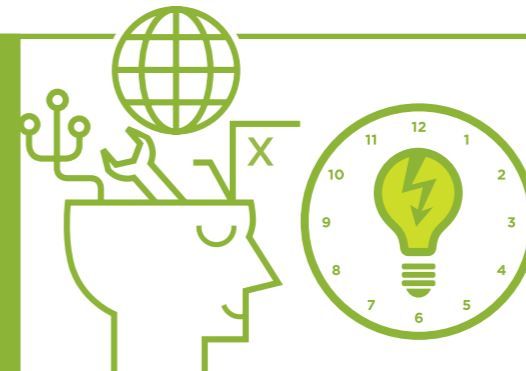

The Western Cape is a place where residents and visitors feel safe.

We want everyone to feel safe. We will tackle the root causes of crime, like child abuse and unemployment, and will work with the police to make you safe.

## 2 GROWTH AND JOBS

An enabling environment for the private sector and markets to drive growth and create jobs.

We want to make the Western Cape a place where businesses grow and create jobs. We will invest in excellent infrastructure and skills programmes and will support companies that can compete with the best in the world.

## 3 EMPOWERING PEOPLE

Residents of the Western Cape have opportunities to shape their lives and the lives of others, to ensure a meaningful and dignified life.

We want our children to be nurtured and to thrive in a changing world. We will support families and communities through our schools, clinics, social workers, and other public servants to make this a reality.

## 4 MOBILITY AND SPATIAL TRANSFORMATION

Residents live in well-connected, vibrant, and sustainable communities and move around efficiently on safe, affordable, low carbon public transport.

We want our communities to be places of opportunity and inclusion where people want to live. We will build new communities, improve the places where people are living, and make it easier to travel from one place to another.

## 5 INNOVATION AND CULTURE

Government services are delivered to the people of the Western Cape in an accessible, innovative, and citizen-centric way.

We want to be a responsive government that is focused on improving your lives. We will ask you to provide us with feedback and will work with you to improve our services.
